MAY BE HARMFUL IF SWALLOWED**

EPA Reg. No. 11214-12-AA

NET WEIGHT _____

DIRECTIONS FOR USE

Apply ZECTRAN Snail & Slug Killer Meal at the rate of 1 pound per 1,200 square feet of treatment area. Water the infested area thoroughly before application, then spread the meal evenly over the area where pests travel and congregate. Special care should be taken to treat bedding plants or other low growing plants where pests feed and hide. Pests stop feeding soon after treatment but kill may be delayed for 3 to 5 days. Re-treat every 3 weeks or as needed.

This product is toxic to fish, wildlife and birds. Keep out of lakes, streams and ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Bury waste in non-cropland away from water supplies. Dispose of empty container by burning or by burying with waste. Apply this product only as specified on this label.

**CAUTION
KEEP OUT OF REACH OF CHILDREN
MAY BE HARMFUL IF SWALLOWED**

Wash thoroughly after handling. Avoid contamination of food, foodstuff and domestic water supplies. If swallowed, induce vomiting by giving an emetic such as two table-spoonsful of salt in a glass of warm water. Call a physician immediately.

NOTE TO PHYSICIAN: Active ingredient has cholinergic effects. Treat symptomatically. Atropine is an antidote.

NOTICE: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of **MERCHANTABILITY** or **FITNESS FOR A PARTICULAR PURPOSE**, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.

U.S. Patent No. 3,084,098.
