Attention: John P. O'Neill

Subject: Whirlpool Emulsion Bowl Cleaner and
Disinfectant
EPA Registration No. 11292-3
Submission received October 26, 1982

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable, and a stamped copy is enclosed for your records.

The printer's black and white proof of the label for this product is being accepted with the understanding that the word POISON will appear in red on the finished printed label which will be placed in channels of trade. Failure to satisfy this requirement would be a violation of Section 162.10(b)(1)(A) of 40 CFR.

Sincerely,

A. E. Castillo
