SUBJECT: Clorox HW
EPA Registration Number: 11346-3
Letter Date: July 18, 2014
EPA Receipt Date: July 22, 2014

Dear Ms. Estremera:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable. The Agency has no objections to label changes submitted for "Clorox HW".

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. The next label printing of this product must use this labeling unless subsequent changes have been approved. You must submit one (1) copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

If you have any questions or comments with regard to this Agency letter, please contact R. Cromwell via email at cromwell.rame@epa.gov or 703-347-0169.

Sincerely,

Demson Fuller
EPA Product Manager (32)
Regulatory Management Branch II
