Los Angeles, CA 90021

Attention: Rita Heywood

Gentlemen:

Subject: Serco Liquid Germicidal Cleaner
EPA Registration No. 11430-3
Your Submission Dated January 13, 1987

Your request to keep the word "sanitizer" on the label cannot be granted at this time.

1. This formulation is not cleared under the Federal Food, Drug, and Cosmetic Act for use on food contact surfaces.

Note that the dye is not cleared in this formulation. You may reformulate your product and delete dye from the formulation and submit a revised Confidential Statement of Formula.

2. For nonfood contact surfaces refer to the DIS/TSS-10 enclosure for required efficacy data.
3. The label should be updated and sodium carbonate and Tetrasodium EDTA should be deleted from the active ingredients in the ingredient statement and should be included with the inert ingredients. The statement "Only For Sale To, Use and Storage By Service Persons" must be deleted. Also there must be the following misuse statement under the USE DIRECTIONS heading:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SERCO LIQUID GERMICIDAL CLEANER is a cleaner, disinfectant, and sanitizer designed for institutional use (hospitals, nursing homes, institutions) where house-keeping is of prime importance in controlling the hazards of cross-infection via environmental surfaces.

SERCO LIQUID GERMICIDAL CLEANER can provide the assurance you need in this area when used as directed. For use on floors, walls, sink tops, garbage pails, bed pans, and telephones, and in restrooms and operating rooms. Effective against *Staphylococcus aureus*, *Salmonella choleraesuis*, and *Pseudomonas aeruginosa*. Also effective against pathogenic fungi, *Trichophyton interdigitale*.

SERCO LIQUID GERMICIDAL CLEANER, at 2 oz. per gallon of water, is effective against the following viruses: Influenza A2 (Hong Kong Flu strain), Vaccinia Virus, Herpes Simplex.

PRECAUTIONARY STATEMENTS

Hazard to Human and Domestic Animals

DANGER

Keep Out of Reach of Children. Causes severe eye and skin damage. Do not get in eyes, skin or on clothing. Harmful if swallowed. Wear goggles or face shield and rubber gloves when handling. Avoid contamination of food. Remove and wash contaminated clothing.

STATEMENT OF PRACTICAL TREATMENT

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call physician. Remove and wash all contaminated clothing before reuse. If swallowed, drink milk, egg whites, gelatin solution or if these are not available, drink large quantities of water. Call a physician.

NOTE TO PHYSICIAN

Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.
