## DIRECTIONS

**JAPANESE BEETLE, WHITE GRUBS, WHITEFRINGED BEETLE AND WIRE WORMS** — Mix 1 gallon of FIGHT with 200 gallons of water to cover one acre. After applying, wash into soil. This will give control for one season. To give up to 10 years control, apply at the rate of 2 to 4 gallons of FIGHT in 500 gallons of water to cover one acre.

**SOD WEB WORMS** — Water thoroughly before applying. Apply FIGHT at the rate of 1 to 2 gallons in 200 gallons of water to cover one acre. Do not water for several days after treating.

**ANTS** — Apply ½ gallon of FIGHT, mixed with 100 gallons of water to cover one acre. Soak the colonies of ants with the above solution.

**APHIDS AND SPIDER MITES ON ORNAMENTALS** — Mix FIGHT at the rate of 2 ounces per gallon of water. Spray thoroughly with a wet coarse spray. Repeat when necessary. When treating for aphids and spider mites, re-apply every 2 or 3 weeks or when the insects reappear.

**CAUTION:** Harmful if swallowed. Contact with skin can cause toxic symptoms. Avoid breathing spray mist. In case of contact with skin, wash with soap and water. Avoid contamination of feed and foodstuffs. Flammable mixture — keep away from heat or open flame.

**NOTE:** Injury may occur on certain ferns and some species of Crassula and Canalita Juniper.  
**NOTICE: KEEP FROM FREEZING:** If this product is stored in cold or freezing weather it may separate or thicken. This will not harm the performance. Before using, warm to room temperature and stir thoroughly.

**KEEP CHILDREN AND PETS OFF TREATED AREAS UNTIL THIS MATERIAL IS WASHED INTO THE SOIL AND GRASS IS DRY.**

Do not reuse empty container. Destroy by burying. Also bury spillage and spray waste away from irrigation or domestic water supplies.

**WILDLIFE CAUTION:** This product is toxic to fish, birds and other wildlife. Birds feeding on treated areas may be killed. Do not use around honey bees. Do not apply where runoff is likely to occur. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not apply when weather conditions favor drift from areas treated. Apply this product only as specified on this label.
