NET CONTENTS GALLONS

TO KILL COCKROACHES, CRICKETS, SPIDERS, SILVERFISH & ANTS: Spray areas where these pests are found or may hide, including dark corners of rooms and closets, cracks, crevices, along baseboards, refrigerators, cabinets, and around garbage cans, plumbing and other utility installations. Pests flushed out of hiding should be sprayed directly. Treat ant trails, nests and points of entry. Repeat treatment as necessary.

TO KILL CARPET BEETLES: Spray edges of carpeting and under carpeting and rugs. Make localized application to the floor and baseboards. Spray directly into cracks, closets and infested areas of shelving. Repeat as necessary.

TO KILL BROWN DOG TICKS: Thoroughly spray sleeping quarters of animals. Spray infested areas about bushes, yards, windows and door frames, wall coverings. Applications should be repeated as necessary. Fresh bedding should be placed in animal quarters following treatment. DO NOT TREAT ANIMALS WITH FORMULATION.

TO KILL FLEAS, WASPS, MOSQUITOES, SMALL FLYING MOTHS: For outdoor use only as an aid in reducing annoyance from these pests. Spray outside surfaces of screens, doors, window frames or wherever these insects may enter the room. Also treat surfaces around light fixtures of porches, in garages and other places where these insects might be congregating.

TO KILL FLEAS, CHIGGERS, ANTS, OUTDOORS: For treatment of localized infestation of these insects in outdoor areas, spray weeds and bushy non-cropland areas around the home thoroughly. Avoid spraying desirable plants. For ants, thoroughly wash and sweep. Repeat applications as infestations warrant and as reinfestation occurs.

Buyer assumes all risks of use, storage and handling of this material in strict accordance with the directions given herewith.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.

Pesticide spray mixture or residue that cannot be used or chemically processed should be disposed of in a landfill approved for pesticides, routed in a suitable way from water supplies. Recycle container and other materials containing or made of such materials and other recycling, reconditioning, re-use, disposal, or other methods for such materials. For 1-gallon size and home use - DO NOT REUSE EMPTY CONTAINER. WRAP CONTAINER AND PUT IN TRASH. QUESTION: Call out Federal, State or local disposal authorities for approved alternative procedures.
