Dear Mr. Igdaloff:

Subject: Amendment - Label Update  
Sunbugger Residual Ant &  
Roach Spray Aqueous  
EPA Registration No. 11474-34  
Your Applications Dated May 23 and  
June 20, 1985

The amendment referred to above, submitted in connection with registration under FIFRA sec. 3(c)(7)(A) is acceptable provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:

- a. Insert "Diazinon" before its chemical name and place chemical name in square brackets.
- b. Delete single asterisk and its footnote.
- c. Change double asterisk to single and change percents to 0.208% . . . and 0.052% in footnote.
- d. Add "or prepared" to the sentence "Do not use in edible product areas, etc."

- e. Add "Directions for Use (Continued)" at top of right panel.
- f. You indicate this product is ready to use. How does one apply the product? Is there a pump spray attachment that fits on the container head? Products intended for homeowner use should be marketed with some sort of pump spray attachment or reference should be made on the labeling informing the user of certain pump spray trigger heads that can be used with this product.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely yours,

George T. LaRocca  
Product Manager (15)  
Insecticide-Rodenticide Branch  
Registration Division (TS-767)

**PRECAUTIONARY STATEMENTS  
STATEMENT OF PRACTICAL TREATMENT**

**IF SWALLOWED** - Call a physician or Poison Control Center immediately. Drink one or two glasses of water and induce vomiting by touching the back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.  
**IF INHALED** - Remove victim to fresh air. Apply artificial respiration if indicated.  
**IF ON SKIN** - Remove contaminated clothing and wash affected areas with soap and water.  
**IF IN EYES** - Flush with plenty of water. Call a physician if irritation persists.

**HAZARDS TO HUMANS & DOMESTIC ANIMALS**

**CAUTION**

Harmful if swallowed. May be absorbed through the skin. Avoid breathing of spray mist. Avoid contact with skin, eyes or clothing. Wash thoroughly after handling and before smoking or eating. Do not allow spray mist to contact food, feedstuffs or water supplies. Thoroughly wash dishes and food handling utensils if contaminated by this spray. Remove pets and cover fish bowls before spraying. Do not allow children or pets to contact treated surfaces until surfaces are completely dry.

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish, birds, and other wildlife. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

For spot applications only. Do not use as a space spray. Spray infested surfaces until wet. Do not use in edible product areas of food processing plants, restaurants or other areas where food is commercially processed. Do not use in serving areas while food is exposed.

**TO KILL FLIES, WASPS, MOSQUITOES, SMALL FLYING MOTHS** For outdoor use only as an aid in reducing annoyance from these pests. Spray outside surfaces of screens, doors, window frames or wherever these insects may enter the room. Also treat surfaces around light fixtures or porches, in garages and other places where these insects alight or congregate.

**TO KILL FLEAS, CHIGGERS, ANTS OUTDOORS** For treatment of localized infestation of these insects in outdoor areas, spray weeds and bushy non-crop areas around the home thoroughly. Avoid spraying desirable plants. For ants, thoroughly wet hills and runways. Repeat applications as infestations warrant and as reinfestations occur.

Buyer assumes all risks of use, storage and handling of this material not in strict accordance with the directions given here with.
