

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS**

CAUTION

Harmful if swallowed. Avoid contamination of feed and food-stuffs. If swallowed, do not induce vomiting. Get prompt medical attention. Foods should be removed or covered during treatment or thoroughly cleaned before using. When using this product in these areas, apply only when the facility is not in operation.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of spray equipment or disposal of wastes.

DIRECTIONS FOR USE

This is a violation of Federal law to use this product in a manner inconsistent with its labeling.

ON ANIMALS: To protect animals from **horn flies, house flies, mosquitoes and gnats,** apply the spray liberally to the lips of the hair. For control of **stable flies, horse flies, deer flies,** apply 2 ounce sprays of all animals affected. Wet the hair, but do not soak the hair. Repeat treatment once or twice daily until control is achieved. For complete control of protection.

To control blood sucking lice, apply the spray liberally to infected areas using a stiff brush to get the spray to the base of the hair. Do 2 ounce sprays per animal. Repeat every two to three weeks as required.

**SUNBUGGER DAIRY
& LIVESTOCK SPRAY**
