NET CONTENTS 1 GALLONS

HOW TO USE: SUNBUGGER III is ready to use undiluted as it comes from the can, and must be applied with either power-operated or hand pressurized sprayers. This product shall not be distributed, sold, or used with finger-operated or trigger type sprayers. Apply as a coarse spray to surface until wet, moving the spray stream rapidly enough to prevent excessive wetting of surfaces and waste of material. Direct spray away from people, plants, and pets. Spray infested surface until wet.

ROACHES, ANTS, SILVERFISH, SPIDERS, CRICKETS. Spray heavily into all cracks, around baseboards and other places where these insects hide. Also behind and beneath cabinets, refrigerators, sinks, stoves, etc. Spray other localized areas infested with these pests. Repeat treatment as required.

CARPET BEETLES: Make localized application to the floor and baseboards. Spray directly into cracks, closets and infested areas of shelvings. Repeat as necessary.

BROWN DOG TICKS: Thoroughly spray infested areas around baseboards, window and door frames, wall coverings. Applications should be repeated as necessary. Fresh bedding should be placed in animal quarters following treatment.

DO NOT TREAT ANIMALS WITH THIS FORMULATION.

FLIES, MOSQUITOES, WASPS AND FLYING MOTHS OUTDOORS For outdoors, use only as an aid in reducing annoyance from these insects. Spray outside surfaces of screens, doors, window frames or wherever these insects may enter the room. Also treat surfaces around light fixtures on porches, in garages and other places where these insects alight or congregate.

FLEAS, ANTS, BROWN DOG TICKS, CLOVER MITES, CRICKETS, EARWIGS, MILLIPEDES OUTDOORS For perimeter treatment of structures and outdoor areas where these insects may enter the dwelling spray infested areas thoroughly. Do not spray vegetation.

STORAGE AND DISPOSAL

STORAGE - Do not contaminate water, food or feed by storage or disposal.

PESTICIDE DISPOSAL - Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL - Triple rinse (or equivalent). Then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
