NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)7(A) provided that you:

1. Submit a Statement of Composition--a brief description of the formulation.
2. Submit a Certification of Limits.
3. State the color in common terms.
4. State the odor in common terms.
5. Submit storage stability information. The formulated product must be analyzed for its active ingredient at time zero and during a year storage.
6. Add a "Pesticide Disposal" subsection to the "Storage and Disposal" section (for larger containers).
7. Change the heading "Physical Hazards" to "Physical or Chemical Hazards."

Add the phrase, "EPA Registration No. 11474-60," to your label before you release the product for shipment.
