

**HAZARDS TO HUMANS
AND DOMESTIC ANIMALS
CAUTION**

Harmful if swallowed. Avoid contact with eyes, skin or clothing. Do not use in horse stable if horses are to be used for food. Avoid contamination of feed and foodstuffs. When using this product in food processing plants, food should be removed or covered before treatment. Thoroughly wash all food processing surfaces before reuse. When using this product in these areas, apply only when the facility is not in operation. Remove pets, birds, and cover fish aquarium before spraying. Do not remain in treated areas. Ventilate area after treatment is completed.

STATEMENT OF PRACTICAL TREATMENT

If Swallowed: Contact a physician or Poison Control Center immediately. Do not induce Vomiting. This product contains petroleum distillate. Aspiration is a potential hazard.

If Inhaled: Remove affected person to fresh air. Apply artificial respiration if indicated.

If in Eyes: Flush eyes with plenty of water. Contact a physician if irritation persists.

If on Skin: Wash affected areas with soap and water. Contact a physician if irritation persists.

ENVIRONMENTAL HAZARDS

This pesticide is highly toxic to fish. For terrestrial uses, do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean water mark. Drift and run-off from treated sites may be hazardous to fish in adjacent waters. Do not contaminate water when disposing of equipment washwaters.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE AND SPILL PROCEDURES: Store upright at room temperature. Avoid exposure to extreme temperatures. In case of spills or leakage, soak up with an absorbent material such as sand, sawdust, earth, fuller's earth, etc. Dispose of with chemical waste.

CONTAINER DISPOSAL: Triple rinse (or equivalent) then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill or by other approved state or local procedures.

CONTAINERS ONE GALLON AND SMALLER: Do not reuse container. Wrap container in several layers of newspaper and discard in trash.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with labeling.

Do not apply this product in such a manner as to directly injure workers or other persons. The area being treated must be vacated. Do not enter the treated areas without proper protective clothing.

Mosquitoes, House flies, Gnats, Small Flying Moths (Mill Moths): Direct the spray to all parts of the room. Fill the treated area. Keep room closed for at least 15-30 minutes when treatment is completed.

Wasps: Application should be made in late evening when they are returning to their nests. Apply liberally into hiding and breeding places, contacting as many nests as possible. Repeat as necessary.

Ants: Spray trails, nests and points of entry. Spray on ants as necessary.

Cockroaches, Waterbugs, Earwigs, Grain Mites, Centipedes: Spray thoroughly into hiding places, such as cracks, openings around pipes and sinks, under refrigerator storage areas. Spray directly on insects where possible. Repeat as necessary.

To Kill Grain Insects: Angoumois Grain moths, Cadellids, Indian Meal Moths, Mediterranean Flour Moths, Rice Weevils, Yellow Mealworms, Cheese Mites, Cheese Skirt Moths, Grain Mites, Granary Weevils, Dark Mealworms and Red Flour Beetles. Infested grain, cereal or flour and destroy. Avoid contaminating foodstuffs in the area by removing before spraying. Apply directly on exposed stages of the listed grain pests and where they may be hiding.

Buyer assumes all risks of use, storage or handling of this product in accordance with directions given herewith.
