NAME OF PESTICIDE PRODUCT

KILLER FOR ICE-Plant weeds

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Sungro Chemicals, Inc.  
P.O. BOX 24632  
Los Angeles, CA 90024

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. On the label, print "EPA Registration No. 11474-76" on the label before you release the product for shipment.
2. Submit one (1) copy of the final printed labeling to the Agency before you release the product for shipment.
3. Submit and/or cite all data required for registration/reregistration of this product under FIFRA Sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of this product under FIFRA Sec. 4.
4. Conditions listed on the second page of this Notice of Registration entitled: "Addendum To Notice of Conditional Registration".

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.
