Statements and revise the If Swallowed section as follows:

IF SWALLOWED: Call a physician or Poison Control Center immediately. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.

c. Change "Harmful if swallowed" to "Harmful if swallowed, inhaled or absorbed through the skin..."

d. Since there is no established tolerance for the residue of fenvalerate on lettuce, you must delete that commodity from the crop listing.

e. Add:

ENVIRONMENTAL HAZARDS

This pesticide is highly toxic to fish and other wildlife. Do not apply directly to any body of water. Do not apply when weather conditions favor drift from treated areas. Do not contaminate water when disposing of equipment washwaters. Apply this product only as specified on this label.

f. Please expand the Directions for Use by identifying the type of equipment used to apply the product (i.e., 1.5 gal. sprayer, power sprayer, etc.).

g. Based upon the container sizes listed on the application, the label Storage and Disposal Statement must be revised per PR Notice 83-3 and PR Notice 84-1.

h. Change "Active Ingredients" to the singular. Also, the words, "Active Ingredients" and "Inert Ingredients" should be aligned to the same margin.

k. All products whose precautionary labeling appears on other than the front panel must bear the following statement:

See side (back) panel for additional precautionary statements.

3. Submit five copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

BEST AVAILABLE COPY

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

George T. LaRocca
Product Manager (15)
