PRECAUTIONARY STATEMENT HAZARDS TO HUMANS & DOMESTIC ANIMALS CAUTION

CAUTION: Harmful if swallowed. Avoid breathing dust. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Do not contaminate feed, water or foodstuffs. Cover fish aquariums before use.

Sensitivity may occur after using any pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amount of water. If signs continue, consult a veterinarian immediately.

ENVIRONMENTAL HAZARDS

Do not contaminate water by disposal of wastes. Apply this product only as specified on this label.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not use in food serving areas while food is exposed.

FLEAS AND OTHER INSECTS IN CARPETS AND UPHOLSTERY

Keep people and pets off treated carpet and upholstered furniture during treatment and until area is vacuumed.

Test hidden surface of carpet or upholstery before treating. If texture or color is affected, do not use.

Shake well before using. Punch plastic seal if present.

Carpet Treatment: Hold upside down and shake powder evenly across surface. Brush lightly with a broom to allow powder to penetrate carpet fibers. Wait 60 minutes, then vacuum. For severe problems or where ticks are known to be hiding, wait 2-3 hours before vacuuming. If powder adheres to a spot, brush it out and vacuum immediately. Apply to dry surfaces only. Do not allow powder to become wet. Clean carpet after using this product.

Upholstery Treatment: Remove all loose cushions. Sprinkle along creases, in corners. Brush gently, wait 60 minutes, vacuum. Sprinkle along underside of furniture. Do not use on exposed fabric; may cause staining. Remove bag from vacuum cleaner. Wrap securely in several layers of newspaper and discard in trash.

FLEAS AND OTHER INSECTS ON AND AROUND DOGS, CATS AND PREMISES

To Control Fleas & Ticks on Dogs & Cats:

Liberal apply powder to the animal, rubbing thoroughly to the skin. Begin with the neck and include the underbody, legs, feet and the base of the tail. Take care not to get the powder in animal's eyes, nose or mouth.

Do not treat puppies or kittens less than 12 weeks of age. Do not apply directly to genitalia.

Do not repeat treatment for 7 days.

Consult a veterinarian before using this product on debilitated, aged, pregnant or nursing animals or animals on medication.

Kennels: Surfaces of kennels should be dusted at the rate of (one) ounce per 50 square feet. Repeat as necessary.

Heavily infested basements, and crawl spaces: Should be dusted at the rate of (16) ounces per 1000 square feet. Repeat as necessary.

FIRST AID

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 9-1-1 or an ambulance then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

Questions? 1-800-463-9179 or call poison control center.

NOTE TO PHYSICIAN AND VETERINARIANS:

Do not use this product on animals simultaneously or within 30 days before or after treatment with or exposure to cholinesterase inhibiting drugs, pesticides or chemicals. However, flea and tick collars may be immediately replaced.
