Keystone Scent Conditioner Corp.
Philadelphia, Pennsylvania 19107

KEYTHOL TEC

For use only in the Keythol Air Circulator, Model No. 700 (Keystone Scent Conditioner Corporation).

Continuous evaporation of Keythol TEC into the air neutralizes odors, while reducing the number of airborne bacteria before they contact surfaces.

Patent applied for.

KEYTHOL TEC

CAUTION: Harmful if swallowed. Avoid contact with skin and eyes. If in contact with skin or eyes, flush with plenty of water. Avoid contamination of food. Do not use in nurseries or rooms where infants, ill or aged persons are confined. Do not use in kitchens, restaurants, dining areas or other areas where food is prepared or served.

EPA Reg. No. 11479-1

KEYTHOL TEC

To Sanitize and Deodorize Air: Pull out wick $\frac{1}{4}$ inch from each of two 1 oz. bottles of Keythol TEC. Place both in designated holders in Keythol Air Circulator and run continuously. Locate unit at least 7 ft. above floor. Replace bottles of Keythol TEC in Air Circulator at least once every 14 days. Effective air sanitizing action in room size such as 17' x 15' x 10', or up to 2550 cu. ft. Use in closed spaces. Humidity should exceed 20%.
