Q-GUARD is a concentrated detergent, disinfectant, fungicide and deodorizer. It is specifically designed for institutional use, such as hospitals, nursing homes, and schools, where housekeeping will be of prime importance in controlling the hazard of cross-infection from environmental surfaces.

Q-GUARD is for use on floors, walls and other hard surfaces in hospitals, nursing homes, hotels, public areas, industrial areas and in institutions. It is excellent for operating rooms, rest rooms, nurseries and food service areas.

When used as directed Q-GUARD is effective against Staphylococcus aureus, Salmonella choleraesuis and Pseudomonas aeruginosa. Q-GUARD is also effective against pathogenic fungi, Trichophyton interdigitale.

At 1 ounce per gallon of water, this product is fungicidal against pathogenic fungi.

For best results, use Q-GUARD as directed above with a cloth or mop and apply to walls, floors and other hard surfaces.

For heavy soil or organic matter, a pre-cleaning step is recommended.

**ACCEPTED**  
*with Comments*  
JAN 08 1987  
Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. 11524-7

**WARRANTY**

Our recommendations for use of this product are based upon tests believed to be reliable. The use of this product being beyond the control of the manufacturer, no guarantee, expressed or implied, is made as to the effects of such or the results to be obtained if not used in accordance with directions or established safe practice. The buyer must assume all responsibility, including injury or damage, resulting from its mis-use as such, or in combination with

other materials. Statements concerning the use of these products are not to be construed as recommending the infringement of any patent, and no liability or infringement arising out of any such use is assumed.

**DANGER**

**KEEP OUT OF REACH OF CHILDREN**

Corrosive. Causes eye damage and severe skin irritation. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid contamination of food. Protect eyes and skin when handling concentrate.

**FIRST AID**

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, drink milk, egg whites gelatin solution or if these are not available, drink large quantities of water. Call a physician.

**NOTE TO PHYSICIAN**

Prolonged mucosal damage may indicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsions may be needed.
