P/P BASIN, TUB & TILE CLEANER

Cleans, Disinfects, and Deodorizes Bathrooms
Especially Formulated for
Use in Homes, Offices, Hospitals, Schools
Fights Hard Water Stains

Fast, convenient way to clean most bathroom surfaces. This formula lifts away most types of dirt and stains. No need to scrub or rinse; just spray and wipe off. Sprays in any position. Even upside down. This formula leaves no dulling film and will not scratch surfaces.

This formula kills most odor-causing household germs such as "Staph" and "Strap". On non-porous surfaces, it kills athlete's foot fungus as well as inhibits mold and mildew growth.

This formula disinfects against all of the following organisms on most environmental surfaces.

Aspergillus niger
Staphylococcus aureus
Pseudomonas aeruginosa
Tricophyton mentagrophytes
Salmonella choleraesuis
Streptococcus pyogenes

This specially formulated cleaner is ideal for use on bathroom tile, bathtubs, wash basins, synthetic marble, stainless steel, fiberglass, toilet seats, shower stalls, chrome fixtures, plastic tops, baked enamel surfaces, porcelain, and ceramic surfaces. Also recommended for kitchen cabinets, drainboards, counters, sickrooms, baby's room and garbage pails.
