

Directions for Use

GENERAL-MIXING: For equipment without an agitator, always mix required amount of Checker Bunt Liquid with an equal volume of water before final dilution.

FOR SLURRY TREATERS: Add to water in treater at rates given below with agitator running.

Use the correct slurry cup, bucket or rotor and correct seed gate depending on the type of machine and seed used.

FOR ON THE FARM TREATMENT: Add 4 pts. of CHECKER BUNT LIQUID to 2 gallons water. Mix thoroughly. Use 1/2 pint of this mixture to each bushel of seed, wheat or sorghum. Apply in a drum or revolving barrel or similar device to obtain uniform coverage.

FOR AUTOMATIC AND OTHER READY MIX AND MIST TYPE TREATERS: Make up treating strength by first diluting CHECKER BUNT LIQUID with equal volume of water, mix thoroughly and set machine to apply 2 fl. oz. per bushel for wheat, and 1 1/2 fl. oz. per bushel for sorghum. Keep well agitated.

Follow directions carefully. Timing and method of application, weather and crop conditions, mixtures with other chemicals not specifically recommended, and other influencing factors in the use of this product are beyond the control of the seller. Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.

CHE

LIQUID

PRODUCT NO. 103

Ingredients

ACTIVE INGREDIENT:
 Hexachlorobenzene * 33.0%
 INERT INGREDIENTS 57.0%
 * Equivalent to 4 pounds of hexachlorobenzene per gallon.

PRODUCT INFORMATION

CHECKER BUNT LIQUID contains hexachlorobenzene (HCB), a seed treating disinfectant specially formulated for use on wheat and sorghum in slurry and automatic and mist-type treaters. Controls Bunt or Stinking Smut of Wheat, Loose and Covered Kernel Smut of Sorghums. (1 gallon will treat 153 bushels of wheat or 196 bushels of sorghum in slurry treaters.)

EPA Reg. No. 11544-11

General Information

Do not store at temperatures below 32 degrees F.

NOTE: CHECKER BUNT LIQUID is recommended only for treatment of seed wheat and sorghum for control of the diseases indicated above.

Local conditions may affect the use of this chemical. Consult State agricultural extension specialists for specific recommendations and for information on possible lower dosages.

DO NOT REUSE CONTAINER. DESTROY WHEN EMPTY.

Dispose of excess Treated Seeds or Wastes by Burial.

IMPORTANT

Label treated seed as follows:

"THIS SEED TREATED WITH HEXACHLORO BENZENE

CHECKER BUNT LIQUID

DO NOT USE FOR FOOD OR FEED."

N

OF CHILDREN

Reasonable care should be taken to avoid inhalation. Wash hands after use.

Do not use on foodstuffs. Treated seed should not be used for food purposes.
