Note: Directions and cautions on container and literature should be followed when used,  
not underlined.

MAFRO CORPORATION

Hold container about 12 inches from animal and spray over entire body, holding the can to allow penetration of the spray to the skin surface. Will increase effectiveness. Repeat as necessary but not more often than weekly.

**RESTRICTIONS**

Do not use on nursing puppies or on cats.

Do not puncture container or throw in fire. Do not place container on stove or radiator or expose to temperatures above 120° F.

**CAUTION**

Avoid inhalation and contact with skin. Do not contaminate food. Keep out of reach of children. Wash immediately after handling.

**NOTICE**

Since the use of this product is beyond the control of Mafro Corporation, Mafro Corporation nor the seller makes any warranty, expressed or implied, or assumes any liability or responsibility for any injury or property damage resulting from handling or use of this product. The buyer assumes all risks and liability for handling and uses this material on these conditions.
