**STOP — READ THE LABEL BEFORE USE**

**IMPORTANT:** Read this entire label, including the Warranty and Limitation of Damages provision, before using CO RAL-NEGUVON Pressurized Spray.

**DIRECTION FOR USE**

CO RAL-NEGUVON Pressurized Spray provides rapid kill of fleas, lice and ticks on dogs. For more prolonged insect control, the dog's bedding should also be treated to help prevent re-infestation. Hold container about 6 to 10 inches from animal and spray over entire body. Do not spray in eyes. For best penetration of the spray to the skin, direct spray opposite to the natural lay of the hair so that the hair is raised or fluffed by the pressure of the spray. Repeat as necessary but not more often than weekly.

**EFFECTIVE SPRAY TIME PER APPLICATION:**

Small Dogs up to 10 lbs. 5 to 10 seconds Medium Dogs (10 to 30 lbs.)—10 to 20 seconds  
Large Dogs over 30 lbs. 20 to 30 seconds

**RESTRICTIONS**

Do not use on cats. Use only as directed.

**WARNING**

Use with adequate ventilation. Avoid breathing spray mist and contact with skin. Wash hands immediately after use. Do not contaminate foodstuffs or food utensils. Harmful if swallowed. Keep out of reach of children.

**WARRANTY AND LIMITATION OF DAMAGES**

Chemagro Corporation warrants that this material conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use and Conditions of Sale; subject to the risks referred to therein. CHEMAGRO CORPORATION MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY, INCLUDING ANY OTHER EXPRESS OR IMPLIED WARRANTY OF FITNESS OR OF MERCHANTABILITY, and no agent of Chemagro Corporation is authorized to do so except in writing, with a specific reference to this warranty. Any damages arising from a breach of this warranty shall be limited to direct damages, and shall not include consequential commercial damages such as loss of profits or values, etc.
