

CODE 0503

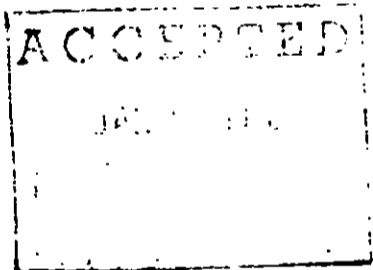

# para-S-1<sup>TM</sup> aerosol

An insecticide for fleas, lice and ticks on dogs and cats and a repellent for flies, mosquitoes, and gnats.

**DIRECTIONS:** Hold Para-S-1 aerosol upright 6 to 12 inches from the dog or cat. Depress valve and direct spray over the animal until coat is damp. For average sized dogs, an application for thirty seconds is usually sufficient; for cats, ten seconds. In heavy coated animals, spray against the lay of the hair. To kill ticks, the spray must hit them directly. May be repeated at weekly intervals if required. Interior of kennel or other quarters should be thoroughly sprayed as well as bedding. Nervous dogs and cats soon become accustomed to the hissing noise and cool sensation of the spray. Do not treat kittens or puppies under 4 weeks of age.

**CAUTION:** Harmful if swallowed or inhaled. Avoid contamination of feed and feedstuffs. If swallowed, call a physician immediately. Avoid breathing of spray mist. Skin contact may be harmful. Avoid contact with skin or eyes. Wash hands after use.

**EXTREMELY FLAMMABLE.** Containers under pressure. Keep away from fire, sparks and open flame. Do not use in hot or incandescent containers. Exposure to temperatures above 130 F. (54.5 C.) may cause bursting.

Active Ingredients: Permethrin, Pyrethrin, and Piperonyl Butoxide. Contains 10% Permethrin, 10% Pyrethrin, and 80% Piperonyl Butoxide. Total weight 13 oz. (369 g). Net weight 13 oz. (369 g). Gross weight 15 oz. (425 g). Contains 10% Permethrin, 10% Pyrethrin, and 80% Piperonyl Butoxide. Total weight 13 oz. (369 g). Net weight 13 oz. (369 g). Gross weight 15 oz. (425 g).
