- 2. The Agency has reviewed your request to change the terms of your registration from quarterly to annual submission of enhanced incident and sales reports using EPA's standardized templates. Based on an initial screening of sample enhanced reports, the sample submission was determined to be adequate and the templates were successfully used. Therefore, the condition of quarterly submission of enhanced incident and sales reports is hereby amended to annual submission with continued use of these standardized templates. You must submit enhanced incident and sales reports for this product to the Agency every 12 months from the date the product is first released for shipment, or from the end date in the last quarterly enhanced reporting submission. The initial released-for-shipment date must be provided to the Product Manager, once known. The enhanced reporting submission should be addressed to the Product Manager's attention and must use the standardized, electronic templates available on the EPA website through the following links: Enhanced Incident Reporting Template, Sales Reporting Template. Submissions must be received by the Agency no later than 60 days following the completion of the 12-month period. If the product is not marketed or sold, you must submit to the Product Manager a letter to this effect every 12 months in lieu of the enhanced incident and sales reports. Please follow appropriate procedures and flag any Confidential Business Information as such.
- 3. The product remains subject to all other previously required conditions of registration, as stated in registration notice dated 03/31/2016.
- 4. The last stamped accepted label dated 04/18/2018 is available on EPA's Pesticide Product Label System (PPLS).

Please note that the record for this product currently contains the following CSFs:

- Basic CSF dated 01/11/2016
- Alternate CSF 1 dated 01/12/2016
