Until reregistration

NAME OF PESTICIDE PRODUCT

Warner Enterprises Wasp & Hornet I

NOTICE OF PESTICIDE: ☒ REGISTRATION

(Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Warner Enterprises
P.O. Box 621
Ranson, WV 25438

(NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.)

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Add the phrase "EPA Registration No. 11561-18" to your label before you release the product for shipment.
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.
4. The methylene chloride statement on the front panel of your label must be deleted.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

(PRECAUTIONARY STATEMENTS (

HAZARDS TO HUMANS & DOMESTIC ANIMALS: CAUTION--Harmful if inhaled or absorbed through the skin. Avoid breathing of spray mist and provide adequate ventilation of area being treated. Contact with skin, eyes or clothing should be avoided. Do not use as a space spray.

Do not use in edible product areas of food processing plants, restaurants or other areas where food is commercially processed or prepared. Do not use in serving areas while food is exposed.

PHYSICAL OR CHEMICAL HAZARDS

Flammable! Contents under pressure. Keep away from heat, sparks or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Do not use this product in or on electrical equipment due to the possibility of shock hazard.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in original container in a cool, dry place inaccessible to children and pets and away from heat or open flame.

DISPOSAL: Replace cap. Wrap container in several layers of newspaper and dispose in trash. Do not incinerate or puncture.

DIRECTIONS

To Operate: Hold container upright, nozzle away from you and spray infested surfaces only until wet.

ROACHES, ANTS, WATERBUGS, SILVERFISH, SPIDERS, CRICKETS: Spray heavily into all cracks, around baseboards and other places where these insects hide. Also spray until wet, surfaces behind and beneath cabinets, refrigerators, sinks and stoves. Spray other localized areas infested with these pests. Repeat treatment as required. Do not allow children to contact treated surfaces until surfaces are completely dry.

FLEAS and BROWN DOG TICKS: Thoroughly spray infested areas around baseboards, window and door frames, wall cracks, sleeping quarters of household pets and localized areas of floors and floor coverings. Allow the sprayed areas to dry thoroughly. Applications should be repeated as infestations warrant and reinfestation occurs. Fresh bedding should be placed in animal quarters following treatment. Do not treat animals with this formulation.

FLIES, MOSQUITOES and FLYING MOTHS Outdoors: For outdoor use only as an aid in reducing annoyance from these insects. Spray outside surfaces of screens, doors, window frames or wherever these insects may enter the room. Also treat surfaces around light fixtures on porches, in garages and other places where these insects alight or congregate. Repeat treatment as necessary.

FLEAS, ANTS, BROWN DOG TICKS, CLOVER MITES, EARWIGS, CRICKETS, MILLIPEDES Outdoors: For treatment of localized infestations of these insects in outdoor areas or where these insects may enter the dwelling, spray infested areas thoroughly. For **ANTS**, thoroughly wet hills and runways. For **FLEAS** and **BROWN DOG TICKS**, spray weeds and bushy non-crop vegetation. Repeat treatment as necessary. Do not spray desirable vegetation.

LIMITED WARRANTY: Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
