MGK 264 Insecticide Synergist

*MGK Repellent II, U.S. Pat. No. 2,610,116

* MGK Repellent 326, U.S. Pat. No. 2,757,120

DIRECTIONS FOR USE

Remove protective film. Hold against back of hand, palm
point, curve in direction of motion and press firmly to spray.
Apply liberally to all exposed skin areas. Apply to face
by spraying hand and holding it against face. Do not inhale
spray. For neck and shoulders, spray liberally and
rub in. For legs and feet, spray and rub in.

WARNING! FLAMMABLE! DO NOT SPRAY NEAR FIRE OR OPEN FLAME. Do not spray near open flame or heat source. Do not place in incinerator or over an open flame. Do not spray near electrical equipment or machinery. Do not spray on or near clothing or skin. Do not inhale vapors. Do not swallow. Do not get in eyes. If it gets in eyes, flush with water for 15 minutes. If swallowed, drink water. If you feel ill, call your doctor. Keep away from children. Store in original container. Dispose of properly. See MSDS for more information.
