NAME AND ADDRESS OF REGISTRANT (Include ZIP Code)

160 / 221802
18 / 2

NOTE: Changes in labeling formula, differences in use, or other changes that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

1. The registrant shall file a copy of the label with the Administrator, and shall file a copy of the label with the State Administrator in each State in which the pesticide is to be sold or distributed.

2. The registrant shall file a copy of the label with the Administrator, and shall file a copy of the label with the State Administrator in each State in which the pesticide is to be sold or distributed.

3. The registrant shall file a copy of the label with the Administrator, and shall file a copy of the label with the State Administrator in each State in which the pesticide is to be sold or distributed.

4. On the date of registration or reregistration, you must provide the Administrator of the product with the product. The shipment reported exceeds the amount expected for the product. Please provide and resubmit. Molecules are used under the name, and the name is contained by excursions, and the name is used for the purpose of the name. 40 CFR 152.11(a)(2)(iii). The name is used for the purpose of the name. The name is used for the purpose of the name.

5. You must provide the Administrator with a copy of the label (extension) for the product. Requirements.

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL

DATE

12/28/88

4. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.
