NEW YORK, NEW YORK 10170

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is registered in accordance with FIFRA Section 3(a)(2)(B) provided that you:

1. you will not use the name "Galigan" or "oxyfluorfen" or any other name for the pesticide in connection with the registration of this pesticide.
2. you will not use the name "Galigan" or "oxyfluorfen" or any other name for the pesticide in connection with the registration of this pesticide in any other country.
3. you will not use the name "Galigan" or "oxyfluorfen" or any other name for the pesticide in connection with the registration of this pesticide in any other country.
4. you will not use the name "Galigan" or "oxyfluorfen" or any other name for the pesticide in connection with the registration of this pesticide in any other country.
5. you will not use the name "Galigan" or "oxyfluorfen" or any other name for the pesticide in connection with the registration of this pesticide in any other country.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith. The label is enclosed for your information.

MADE IN ISRAEL

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS & DOMESTIC ANIMALS CAUTION

May cause moderate eye irritation. Avoid contact with skin, eyes or clothing. Harmful if swallowed, inhaled or absorbed through skin. Wash thoroughly with soap and water after handling. Avoid breathing vapors or dust. Avoid contact with skin, eyes or clothing.

Remove contaminated clothing and wash clothing before re-use.

In case of contact immediately flush with plenty of water. Get medical attention if irritation persists

ENVIRONMENTAL HAZARDS

This pesticide is highly chronically toxic and highly acutely toxic to aquatic invertebrates, aquatic plants, wildlife and fish.

Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

PHYSICAL HAZARDS

Keep away from heat and open flame.

STORAGE AND DISPOSAL

Storage: Do not contaminate water, food or feed by storage or disposal.
Disposal: Pesticide wastes are toxic. Improper disposal of excess pesticide spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Triple rinse (or equivalent) then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

In case of minor spills, follow all precautions indicated above and clean up immediately. Sweep up and dispose of wastes and broken or empty containers in a landfill approved for pesticide use.

2073

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Reformulators must be responsible for providing data to register products. **For formulation of herbicides only.**

This product may be used to formulate pesticide products for use on the following crops:
