SPARKLE

TOILET BOWL CLEANER

SPARKLE BOWL CLEANER is a strong chemical compound for removing accumulations and stains from toilet bowls and urinals.

DIRECTIONS

1. Remove the water by forcing it over trap with swab.
2. Holding bottle over bowl or urinal to prevent spilling on the floor, pour 1 ounce of SPARKLE BOWL CLEANER direct to soiled areas of the bowl - allow contact time.
3. With swab - clean entire surface of bowl or urinal, especially under rim and water outlets.
4. Flush bowl or urinal and rinse out swab.

DANGER CORROSIVE

May be fatal if swallowed.

Do not breathe vapor or fumes.

May produce chemical burns.

Do not get in eyes, on skin, or clothing.

ANTIDOTE

INTERNAL-Drink a teaspoonful or more of magnesia, chalk, or small pieces of soap, softened with water, in milk or raw egg white.

In case of ingestion or injury, get medical attention.

Call a Physician immediately.

EXTERNAL, SKIN-Wipe off the acid gently, immediately flood the surface with water, using soap freely, then cover with moist magnesia or baking soda.

EYES- Wash with water for 15 minutes Get prompt medical attention.

Rinse empty container thoroughly with water and discard it.
