DO NOT SPRAY IN AIR AS A SPACE SPRAY

DIRECTIONS

Remove the cap. Hold upright. Point valve opening away from face. Press button to release spray.

Beetles, Waterbugs, Silverfish, Crickets, Carpet Beetles: Spray infested cracks and hiding places thoroughly. Direct spray into moist places, and around sinks, bath tubs, drains, laundry tubs, pipes through walls and floors. Spray behind cabinets, stoves, refrigerator and counters. Will not stain woodwork. To control carpet beetle — spray the underside of carpets.

Ants: Thoroughly spray ant trails and areas around door frames and window sills. It is frequently desirable to treat the openings around water pipes, heat ducts, electrical outlets and baseboards where ants may come into rooms from wall spaces and partitions.

Spiders and Scorpions: Spray wherever these insects may enter the home, such as around door frames and window sills in garages, wood houses, cabins, outhouses, spray until wet where these insects crawl.

Flies, Mosquitoes, Gnats, Wasps, June Bugs, Flying Moths: As an aid to reduce the annoyance from these insects in entering the home, spray the outside surfaces of screens, doors and window frames and other places such as open porch fixtures where these insects gather.

REPEAT TREATMENT AS NECESSARY FOR EFFECTIVE CONTROL. SPRAY INFESTED SURFACES UNTIL WET.

ACTIVE INGREDIENTS

Petroleum Distillate	50.824%
o-Isopropoxyphenyl Methylcarbamate**	0.5%
N-Octyl Bicycloheptane Dicarboximide	0.166%
Technical Piperonyl Butoxide*	0.1%
Pyrethrins	0.05%

INERT INGREDIENTS 48.580%

*Equivalent to 0.08% (Butylcarbityl) (6-Propylperonyl) Ether and 0.02% of related compounds
**Baygon, U.S. Patent No. 3,111,539

CAUTION:

KEEP OUT OF REACH OF CHILDREN

FLAMMABLE: Contents under pressure. Keep away from heat, sparks, and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause bursting. Do not smoke while using. May be harmful if swallowed, inhaled, or absorbed through skin. Avoid breathing spray mist. Provide adequate ventilation of area being treated. Repeated or prolonged contact with the skin, eyes, or clothing may cause toxic symptoms and should be avoided. Wash thoroughly after use. Do not spray on or near dishes or cooking utensils. Remove pots and cover fish bowls before spraying. If illness occurs, get prompt medical aid. **TO PHYSICIAN: Atropine Sulfate is Antidote.**
