ANT & ROACH RESIDUAL SPRAY

CONTAINS BAYGON®
KILLS ANTS, ROACHES
SPIDERS, and
OTHER CRAWLING INSECTS
AS LISTED

ACTIVE INGREDIENTS

o-Isopropoxyphenyl Methylcarbamate**	0.5%
N-Octyl Bicycloheptane Dicarboximide	0.166%
Technical Piperonyl Butoxide*	0.1%
Pyrethrins	0.05%

INERT INGREDIENTS*** 99.184%

*Equivalent to 0.08% (Butylcarbitol)

(6-Propylpiperonyl) Ether and 0.02% of related compounds.

**Baygon, U.S. Patent No. 3,111,539.

***Contains Petroleum Distillates.

KEEP OUT OF REACH OF CHILDREN

CAUTION: FLAMMABLE

CONTENTS UNDER PRESSURE

See other precautions on back panel

SPRAY ONLY ON SURFACES

DO NOT USE AS A SPACE SPRAY

DO NOT SPRAY IN AIR AS A SPACE SPRAY

DIRECTIONS

Remove the cap. Hold can upright. Point valve away from face. Press button to release spray.

Roaches, Waterbugs, Silverfish, Crickets, Carpet Beetles: Spray infested cracks and hiding places thoroughly. Direct spray into moist places, and around sinks, bath tubs, drains, laundry tubs, pipes through walls and floors. Spray behind cabinets, stove, refrigerator and counters. Will not stain woodwork. To control carpet beetles — spray the underside of carpets.

Ants: Thoroughly spray ant trails and areas around door frames and window sills. It is frequently desirable to treat the openings around water pipes, heat ducts, electrical outlets and baseboards where ants may come into rooms from wall spaces and partitions.

Spiders and Scorpions: Spray wherever these insects may enter the home, such as around door frames and window sills. In garages, wood houses, cabins, outhouses, spray until wet where these insects crawl.

Flies, Mosquitoes, Gnats, Wasps, June Bugs, Flying Moths: As an aid to reduce the annoyance from these insects in entering the home, spray the outside surfaces of screens, doors and window frames and other places such as open porch fixtures where these insects gather.

REPEAT TREATMENT AS NECESSARY FOR EFFECTIVE CONTROL. SPRAY INFESTED SURFACES UNTIL WET.

CAUTION:

KEEP OUT OF REACH OF CHILDREN

FLAMMABLE: Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Do not smoke while using. May be harmful if swallowed, inhaled, or absorbed through skin. Avoid breathing spray mist and provide adequate ventilation of area being treated. Repeated or prolonged contact with the skin, eyes, or clothing may cause toxic symptoms and should be avoided. Wash thoroughly after use. Do not spray on or near food, dishes, or cooking utensils. Remove pets and cover fish bowls before spraying. If illness occurs, get prompt medical aid.
TO PHYSICIAN: Atropine Sulfate is Antidotal.

STORAGE AND DISPOSAL

Storage: Store in a cool, dry area away from heat and open flame.
Disposal: Do not incinerate or puncture empty container. Replace cap. Wrap container and put in trash collection.
