FEB 18 1998

Attn: David H. Welsh, III
Agent for Apollo Industries, Inc.

Subject: Apollo Germicidal Spray Cleaner
EPA Registration No. 11623-5
Your Submission Dated October 16, 1997
EPA Received Date of October 23, 1997

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable.

A stamped copy of the labeling is enclosed for your records. Submit one (1) copy of the final printed label prior to release of the product for shipment.

The Agency also acknowledges the additional alternate brand name "CENTSIBLE Antibacterial Cleaner". This alternate brand name has been added to the file for this product.

If you have any questions concerning this letter, please contact Julie Fairfax at (703) 308-9086.

Sincerely yours,

Velma Noble
Product Manager (31)
Regulatory Management Branch I
Antimicrobials Division (7510W)

Under the Federal Insecticide,
Fungicide, and Rodenticide Act as
amended, for the pesticide,
registered under EPA Reg. No. *11623-5***DIRECTIONS FOR USE
GENERAL CLASSIFICATION**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

DIRECTIONS

Remove cap. Shake. Spray evenly over surface. Wipe Clean. For heavily soiled surfaces, allow foam to remain up to a minute before wiping.

To Disinfect: Spray onto surface and allow foam to remain a short while. Then wipe clean. Then spray again; wipe gently with a clean, damp cloth. Do not dry. Surfaces cleaned and disinfected with cleaner must be rinsed with potable water before coming in contact with edible food products. Always hold the container as upright as possible when spraying.

FOR SINK DRAINS WITH OR WITHOUT DISPOSALS

Step 1: Clean & Deodorize - Shake can. For best results run hot water into sink for 11 minute to soften soils. Turn off water, let drain. If applicable, make sure disposal unit is empty and turned off. Spray foam into sink drain opening until it is filled with foam. Allow to remain for 10 minutes. Rinse drain with more hot water (turning on disposal unit as applicable).

Step 2: Disinfect - Again, spray foam into sink drain. Allow foam to remain for at least 10 minutes or let air dry.

Between your regular cleanings, spray foam into sink drains and any overflow openings to keep them fresh smelling and odor free.

USE WEEKLY OR AS OFTEN AS NEEDED.**USED ON:** Counter tops • table tops • plastic surfaces • sinks • bathtubs • shower stalls • grouting • tiles • wash basins • formica • exhaust fans • stainless steel • woodwork • porcelain • enameled surfaces • leather • leatherette • vinyl plastic • sink drains • garbage disposal units**USED IN:** Hospitals • institutions • office buildings • schools • factories • motels • cafeterias • restaurants • food processing plants • households • hotels**PRECAUTIONARY STATEMENTS****Hazards to Humans and Domestic Animals****CAUTION -** Keep out of Reach of Children. Causes eye and skin irritation. Do not get in eyes, skin or on clothing. Harmful if swallowed.**STATEMENT OF PRACTICAL TREATMENT**

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, drink milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Call a physician.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.**PHYSICAL HAZARDS:** Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130° may cause bursting.**STORAGE:** Store in a cool area away from heat or open flame. **DISPOSAL:** Do not reuse empty container. Wrap container and put in trash collection.
