Manufactured By:  
**APOLLO INDUSTRIES, INC.**  
 1850 S. Cobb Industrial Blvd.  
 Smyrna, Georgia 30082

### FOR OUTDOOR USE ONLY DIRECTIONS

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Remove protective cap. Hold dispenser upright with valve away from face. Push button completely down to release stream.

**FOR CONTROL OF WASPS, HORNETS AND BEES:** Apply to nest in the early morning or late evening when these pests are at rest. Aim valve opening at the nest and depress button, soaking the nest with the spray. Repeat as necessary. Avoid wetting vegetation with the spray, as it will be damaged. Do not use as a space spray. Spray infested areas such as under porches, eaves, doors, and window frames.

**OTHER USES-OUTDOOR ONLY:** For control of ant, clover mites, crickets, earwigs, millipedes, sowbugs and brown dog ticks. Spray infested areas thoroughly, including outside surfaces of screen frames, doors, window frames, foundations, patios, and other places where insects may enter or harbor. For ants, spray hills and runways. Repeat as necessary. Do not spray vegetation. Do not use as a space spray.
