

JAN 31 1991

Apollo Industries, Inc.
1850 South Cobb Industrial Boulevard
Smyrna, GA 30082

Attention: Lisa Cirtber

Gentlemen:

Subject: Resmethrin Registration Standard
Apollo Wasp and Hornet Killer IV
EPA Registration No. 11623-17
Your Submission Dated March 22, 1989

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records.

Refer to your suppliers of the active ingredient and petroleum distillate concerning the declaration of aromatic petroleum hydrocarbons and petroleum distillates as active ingredients. They will require reregistration and data support as active ingredients. If you propose to amend this registration by including them as inert ingredients, add a substatement to the ingredient statement "Contains petroleum distillates."

Sincerely yours,

PH
Phil Hutton

Precautionary Statements
Hazards to Humans and Domestic Animals
CAUTION

Harmful if swallowed. Avoid inhalation of vapors. Avoid contact with skin, eyes or clothing. Wash contaminated skin promptly with soap and water. For eyes, flush with plenty of water. Get medical attention if irritation persists. Avoid contamination of food and feedstuffs.

Do not use in commercial food processing, preparation, serving or storage areas. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Cover exposed food.

Remove pets birds and cover fish aquariums before spraying.

Physical Hazards

Flammable. Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

Storage and Disposal

Storage: Store in a cool, dry area away from heat and open flame.

Disposal: Do not incinerate or puncture empty container. Replace cap. Wrap container and put in trash collection.

FOR OUTDOOR USE ONLY

DIRECTIONS

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Remove protective cap. Hold dispenser upright with valve away from face. Push button completely down to release stream.

FOR CONTROL OF WASPS, HORNETS, AND BEES: Apply to nest in the early morning or late evening when these pests are at rest. Turn valve opening at the nest and depress button, coating the nest with the spray. Repeat as necessary. Do not use as a space spray.
