

DIRECTIONS FOR USE

General Classification

It is a mixture of fungicide and disinfectant product in a market recognized as safe for use.

ENVI-CIDE II has been designed specifically for Hospitals, Nursing Homes, Institutions, Offices, Schools, Motels, and Hotels as a disinfectant, deodorant and air freshener. It is recommended for disinfection of telephones, bed springs, duvets, beds, bath mats, hampers, wheelchairs, toilet brushes, garbage pails and other clean maintainable hard non porous surfaces.

SURFACE DISINFECTION AND DEODORIZATION: (1) First remove all deposits from surface to be treated. (2) Hold can six inches from surface and spray until completely wet, allowing the surface to remain wet for 10 minutes.

AIR FRESHENER AND AIR REFRESHMENT: Point spray upwards to center of room and spray for three seconds.

MILDEWSTAT: To control mold and mildew on hard non porous surfaces such as floors, walls, table tops, spray the surface to be treated. Making sure to wet corners. Let air dry. Repeat application at weekly intervals or when mildew growth appears.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING

Keep Out of Reach of Children. Causes eye and skin irritation. Do not get in eyes, hair or on clothing. Avoid contact with food.

STATEMENT OF PRACTICAL TREATMENT

In case of contact, immediately flush with water and plenty of soap for at least 15 minutes. For eyes, flush with clean water. Remove and wash with soap. Wash thoroughly before reuse. If inhaled, get fresh air, rinse mouth, breathe and if these do not help, seek large quantities of water. Call a physician.

NOTE TO PHYSICIAN

ENVI-CIDE II causes damage may irritate skin and the use of gloves, goggles, mask, apron, and protective clothing should be worn.
