Until Reregistration

Total Release Fogger No.II

~~1105429343~~  
18/1

APOLLO Industries , Inc.  
1850 So. Cobb Industrial Blvd.  
Smyrna GA 30082

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data or other material required for registration/reregistration of your product under FIFRA sec. 3(c)(5) or FIFRA sec. 4 when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below before you release the product for shipment:

a. Add the phrase "EPA Registration No. 11623-35."

b. Under the Statement of Practical Treatment for the caption "If on Skin" revise the first sentence to read as follows:

.....Remove contaminated clothing and wash before reuse.

c. Delete the Environmental Hazards heading and statement.

d. Use of an excessive number of total release cans has led to incidents (explosions) under certain circumstances. The flammability issue of aerosol cans is currently being considered under the Flammability FR Notice. In the interim the following statements should be added to the use directions of total release product labels.

"Do not use this unit in a cabinet or under a counter or table. Do not use this unit in an area less than 100 cubic feet".

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6 (e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy is enclosed for your records.
