Regulatory Affairs Manager
Apollo Technologies
1850 South Cobb Industrial Boulevard
Smyrna, GA 30082-4908

**Subject: Amended Labeling, APOLLO TOTAL RELEASE FOGGER III, EPA Reg. No. 11623-44
Your Submission Dated October 20, 2009**

Dear Ms. Burnell:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable with the following label revision provision(s):

General Comment:

1. Delete all text throughout the label marked with "strikethrough."

Precautionary Statements, Hazards to Humans and Domestic Animals subsection comment(s):

2. Revise the 1st sentence to read: "Harmful if swallowed or absorbed through skin."
3. Revise the 3rd sentence to read: "Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco."

Directions for Use section comment(s):

4. To facilitate inclusion of language from the REDs for tetramethrin and MGK 264 insecticide synergist, add the following new subsection in its own text box immediately following the statement "It is a violation of Federal law ...":

GENERAL PRECAUTIONS & USE RESTRICTIONS

- Apply this product only as specified on this label.
- For indoor residential use only.
- Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the treated area during application. Do not remain in treated area. Exit area immediately and remain outside the treated area until aerosols, vapors and/or mists have dispersed.
- Do not apply when food is present. Do not use in food areas of food handling establishments, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed or when facility is in operation. Serving areas are areas where prepared foods are served, such as dining rooms, but excluding areas where foods may be prepared or held. Prior to application, exposed food should be covered or removed. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly cleaned with a suitable detergent and rinsed with potable water before use. Do not apply more than 1 time per day.
- Do not enter or allow others to enter treated area until sprays have dried.
- Wait at least two (2) hours after application then open windows, vents and doors for two (2) more hours. If an odor is still detected, additional ventilation is required.
- Do not apply directly into sewers or drains, or to any area like a gutter where drainage to storm sewers, water bodies or aquatic habitat can occur. Do not allow this product to enter any drain during or after application.
- Remove pets and birds and cover fish aquariums and turn off air pump motor before application.

Directions for Use section comment(s), continued:

5. Within the paragraph starting with "**TO OPERATE VALVE:**," revise the 5th and 6th sentences to read "Leave the building at once and wait at least two (2) hours after application then open windows, vents and doors for two (2) more hours. If an odor is still detected, additional ventilation is required."

Storage and Disposal section comment(s): To facilitate inclusion of language from PR Notice 2007-4:

6. Replace the existing "**Pesticide Storage:**" subsection with "**Pesticide Storage:** Keep this product dry in a tightly closed container, when not in use. Store in a cool, dry, well-ventilated area away from heat or open flame."
7. Replace the "**Pesticide Disposal and Container Handling:**" subsection with "**Container Disposal:** Do Not Puncture or Incinerate! **If empty:** Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions."

Labeling Claims (optional marketing language) section comment(s):

8. Revise the 1st optional marketing statement to read "**Kills Ants, Cockroaches, Fleas, Spiders, Mosquitoes, Houseflies & Other Listed Insects**"
9. Revise the 2nd optional marketing statement to read "**FOR INDOOR USE IN THE FOLLOWING AREAS ONLY:** Apartments, Homes (Attics, Basements, Garages and Household Storage Areas), Campers, Boats, Pet Sleeping Quarters and Cabins."

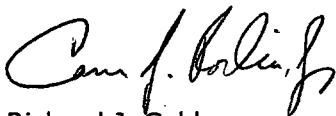

First Aid Statement section comment(s):

10. On the row entitled "**IF SWALLOWED:**," revise the 1st bullet to read "Call a poison control center or doctor immediately for treatment advice."
11. Revise the 3rd row to read "**HOT LINE NUMBER:** Have the product container or label with you when calling a poison control center, doctor, veterinarian or going for treatment. For additional information on this product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-xxx-xxxx." ¹

A copy of your label stamped "Accepted with Comments" is enclosed for your records. Please submit two (2) copies of the final printed labeling, incorporating the above changes, before releasing the product for shipment. If these conditions are not complied with, the registration will be subject to cancellation in accordance with section 6(e) of FIFRA. Your release for shipment of the product bearing amended labeling constitutes accepting of these conditions.

If you have any questions about this label review, please contact Mr. Carmen J. Rodia, Jr. at (703) 306-0327 or via e-mail at Rodia.Carmen@epa.gov.

Sincerely Yours,

For 

Richard J. Gebken
Product Manager (10)
Insecticide Branch
Registration Division (7505P)

Enclosure: Label stamped "Accepted with Comments"

011623-00044 D422761

¹ It is important to note that the "1-800-xxx-xxxx" number listed in the HOT LINE NUMBER subsection must be available twenty-four (24) hours per day, seven (7) days per week for answering and responding to any medical emergencies or health concerns.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if absorbed through skin. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

PHYSICAL OR CHEMICAL HAZARDS

Highly Flammable Ingredient
Ingrediente Altamente Inflamable

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. This product contains a highly flammable ingredient. It may cause a fire or explosion if not used properly. Follow the Directions for Use on this label very carefully.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

~~Do not use in commercial food/food handling establishments, restaurants or other areas where food/feed is commercially prepared, processed or stored. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Exposed food should be covered or removed.~~

~~Remove pets and birds and cover fish aquariums before spraying.~~

SHAKE WELL BEFORE USE

This product will kill ants, cockroaches, confused flour beetles, crickets, fleas, houseflies, mosquitoes, rice weevils, saw-toothed grain beetles, small flying moths, sow bugs, spiders (including black widow), and brown dog ticks.

DO NOT use more than one fogger per room. DO NOT use in small, enclosed spaces such as closets, cabinets or under counters or tables. Do not use in a room 5 ft. X 5 ft. or smaller; instead, allow fog to enter from other rooms. **Turn off ALL ignition sources such as pilot lights (shut off gas valves), other open flames or running electrical appliances that cycle off and on (i.e., refrigerators, thermostats, etc.).** Call your gas utility or management company if you need assistance with your pilot lights.

KEEP CONTAINER UPRIGHT

~~Cover exposed food, dishes and food handling equipment. Open cabinets and doors to area to be treated. Shut off fans and air conditioners. Close doors and windows. Point valve opening away from face when releasing. Use one unit for each 6,000 cubic feet of unobstructed area. Do not remain in the area during treatment and ventilate thoroughly before re-entry.~~

TO OPERATE VALVE: Place several layers of newspaper or pad on stand or on table in the center of the room. Point valve opening away from face. To lock valve in open position for automatic discharge, press valve button all the way down, hooking the catch. Then place fogger on stand or table in the center of the room with valve locked open. Leave building at once and keep building closed for two hours before airing out. Open all doors and windows and allow to air for 30 minutes. Repeat spraying if necessary, but no sooner than within 2 weeks.

To Kill Brown Dog Ticks and Fleas: Destroy pet's old bedding and replace with clean, fresh bedding after treatment is completed. Use product as above. Pets should be treated with a registered flea and tick control product prior to reentering treated premises.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

Pesticide Storage

Store in a cool, dry area. Always store pesticides in the original container. Store away from food or pet food.

Pesticide Disposal and Container Handling

Do Not Puncture or Incinerate!
Nonrefillable container. Do not reuse or refill this container.

If empty:
Place in trash or offer for recycling if available.
If partly filled:
Call your local solid waste agency for disposal instructions.

"Contains no CFCs or other ozone depleting substances. Federal regulations prohibit CFC propellants in aerosols."
