BUG REPEL

NET WT. 3 OZ.

CAUTION: Keep out of reach of children. Keep away from eyes and mouth.
For external use only.

Here is a bug repellent that works. Bug REPEL is a specialized combination of ingredients that, though odorless to humans, is highly repulsive to insects.

Apply generously to exposed skin surfaces, including back of neck and ears, to make gnats, mosquitoes, ants and flies detour your body. Apply liberally to shoe tops, stockings and openings in clothes to repel ticks and chiggers.

Re-apply every 12 hours for total efficiency. REPEL works!

ACTIVE INGREDIENTS: N., N-Diethyl-Meta-Toluamide 14.25%. Other Isomers .75%.

INERT INGREDIENTS: 85.00%.
