In Accordance with PR Notice 82-25

Based on Draft Labeling Dated 6/14/84

## PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. May cause irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling.

## ENVIRONMENTAL HAZARDS

This pesticide is toxic to birds and fish. Do not discharge into lakes, streams, ponds or public water unless in accordance with an NPDES permit. For guidance, contact your Regional Office of the EPA.

## DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

For formulation into End-Use Products intended only for Bird Control

## STORAGE & DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

### 1. STORAGE INSTRUCTIONS:

Store in original container only. Store apart from food or animal feed and protect against rodent penetration of the carton. Store apart from other pesticides, fertilizers, food or feed that may cause cross-contamination of odor or insect infestation.

### 2. DISPOSAL INSTRUCTIONS:

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance. Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of liner in a sanitary landfill or by incineration if allowed by State and Local authorities. If drum is contaminated and cannot be reused, dispose of in the same manner.

## FC CORN CHOPS 1-10 CONCENTRATE

Active Ingredient: 4-Aminopyridine

Inert Ingredients

Total

0.3%

99.7%

100.0%

## USE RESTRICTIONS

Avitrol FC Corn Chops 1-10 Concentrate is toxic to birds and animals and must not be used for any purpose except the formulation of bird control materials having registered labels. Store apart from Food or Animal Feed and protect against rodent penetration of the cartons.

## DIRECTIONS FOR FORMULATION

Avitrol FC Corn Chops 1-10 Concentrate is to be used only as directed on this label.

For the preparation of Avitrol Corn Chops-99 or Avitrol FC Corn Chops-99S, thoroughly mix one volume of the concentrate with nine parts of untreated similar corn chops. Mixing can be accomplished conveniently in a concrete mixer or other suitable blending equipment. To facilitate blending, the concentrate should be distributed over the moving untreated grain and mixed until completely uniform. Package and apply Avitrol Corn Chops-99 and Avitrol FC Corn Chops-99S with the net weight indicated.

## KEEP OUT OF REACH OF CHILDREN CAUTION STATEMENT OF PRACTICAL TREATMENT

If swallowed: If the patient is unconscious, maintain breathing and heart beat (CPR: Cardiopulmonary resuscitation). Contact your local Poison Control Center, hospital or physician immediately.

If patient is conscious: Induce vomiting with syrup of Ipecac (if not available, stimulate the back of the throat with finger). Never give anything by mouth to an unconscious person. Contact your Poison Control Center, hospital or physician immediately.

If in eyes: Flush with plenty of water. Get medical attention if irritation persists.

**See side panel for additional precautionary statements.**
