DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

GENERAL INFORMATION

ARTHITROL is an artificially sweetened insecticide bait which is intended for control of roaches and ants.

DIRECTIONS FOR USE

FOR USE IN DWELLINGS, BOTH HOMES AND APARTMENT BUILDINGS, COMMERCIAL FACILITIES INCLUDING OFFICE BUILDINGS, MANUFACTURING FACILITIES, RETAIL STORES AND WAREHOUSES, HOSPITALS AND RESTAURANTS.

Inspect your intended application site to determine locations frequented by the pest. Place bait where your inspection indicates the pests frequent and only in areas inaccessible to children or pets. Usual locations are in cracks and crevices, under and behind files, storage cabinets and equipment, under refrigerators and sinks, in under and behind cabinets, in closets, in wall spaces, in attics and under water heaters. Replicate bait as necessary every three to six weeks. For infestations of German cockroaches, use more bait and more bait locations than for American cockroaches.

FOR USE IN RESTAURANTS, WHERE NO EXPOSED FOOD IS HANDLED: Apply bait in accordance with the active instructions. WHERE EXPOSED FOOD IS HANDLED: Do not apply bait when exposed food is present. When removing bait, maintain a log of the location and number of bait sites. Remove bait before food handling resumes. Bait may be used in animal feeding and pet feeding areas PROVIDED IT IS PLACED SUCH THAT IT IS NOT ACCESSIBLE TO THE ANIMALS.

FOR PEST ANT CONTROL: Apply at a rate of 1/2 lb. per 100 sq. ft. per 100 sq. ft. of area. Do not apply to areas where food is present. Do not apply to areas where food is present. Do not apply to areas where food is present. Do not apply to areas where food is present.

WARRANTY STATEMENT: Manufacturer warrants that this product conforms to the label description. Buyer and user assume all risks of use and handling of this product contrary to label instructions.
