CAUTION KEEP OUT OF REACH OF CHILDREN

HARMFUL IF SWALLOWED OR INHALED. Do not take internally. Avoid breathing dust. Avoid contact with skin. Wash thoroughly after handling. Change contaminated clothing daily. To avoid contamination avoid storage near feed, foodstuffs or drinking water. Wash hands with soap and water after handling and before eating or smoking.

NOTE FOR PHYSICIAN. Carbaryl is a moderate, reversible, cholinesterase inhibitor. Atropine is antidotal.

Avoid drift of this product to any crop for which this chemical is not registered. Avoid drift to any crop for which use may be registered but closer to harvest than the recommended time limits for this chemical. Avoid drift to any feed or forage crop. This product is highly toxic to bees exposed to direct treatment or residues on crops. Protective information may be obtained from your Cooperative Agricultural Extension Service.

This product may be applied by hand equipment, ground equipment or aircraft. Apply when air is calm to avoid drift to adjacent crops.

Do not reuse empty container. Destroy it by burying with waste or burning. Stay away from smoke or fumes.

COASTOX CARBARYL CUTWORM BAIT is a special pelletized formulation for the control of cutworms, armyworms, and crickets.
