

WARNINGS IN USING

WARNING: KEEP OUT OF REACH OF CHILDREN. HARMFUL IF INHALED. MAY BURN OR IRRITATE. IRRITATION OF EYES, NOSE AND THROAT. MAY BE ABSORBED THROUGH SKIN. MAY BE FATAL OR HARMFUL IF SWALLOWED. Avoid contact with eyes, nose and throat. Wash thoroughly with soap and water. If inhaled, get fresh air. If on skin, wash with soap and water. If swallowed, get medical attention. Do not eat, drink or smoke while using this product. Do not use in confined areas. Do not use near open flames. Do not use near electrical equipment. Do not use near children or pets. Do not use near water. Do not use near food. Do not use near feed. Do not use near seed. Do not use near fertilizer. Do not use near pesticides. Do not use near herbicides. Do not use near fungicides. Do not use near insecticides. Do not use near molluscicides. Do not use near nematocides. Do not use near nematicides. Do not use near acaricides. Do not use near miticides. Do not use near molluscicides. Do not use near nematocides. Do not use near nematicides. Do not use near acaricides. Do not use near miticides.

Do not use in confined areas. Do not use near open flames. Do not use near electrical equipment. Do not use near children or pets. Do not use near water. Do not use near food. Do not use near feed. Do not use near seed. Do not use near fertilizer. Do not use near pesticides. Do not use near herbicides. Do not use near fungicides. Do not use near insecticides. Do not use near molluscicides. Do not use near nematocides. Do not use near nematicides. Do not use near acaricides. Do not use near miticides.

Do not use in confined areas. Do not use near open flames. Do not use near electrical equipment. Do not use near children or pets. Do not use near water. Do not use near food. Do not use near feed. Do not use near seed. Do not use near fertilizer. Do not use near pesticides. Do not use near herbicides. Do not use near fungicides. Do not use near insecticides. Do not use near molluscicides. Do not use near nematocides. Do not use near nematicides. Do not use near acaricides. Do not use near miticides.

STORAGE PRECAUTION

Store in a cool, dry place. Do not store in a confined area. Do not store near open flames. Do not store near electrical equipment. Do not store near children or pets. Do not store near water. Do not store near food. Do not store near feed. Do not store near seed. Do not store near fertilizer. Do not store near pesticides. Do not store near herbicides. Do not store near fungicides. Do not store near insecticides. Do not store near molluscicides. Do not store near nematocides. Do not store near nematicides. Do not store near acaricides. Do not store near miticides.

READ THE DIRECTIONS CAREFULLY BEFORE APPLICATION AND FOLLOW THEM AT ALL TIMES

Read the directions carefully before application and follow them at all times. Do not use in confined areas. Do not use near open flames. Do not use near electrical equipment. Do not use near children or pets. Do not use near water. Do not use near food. Do not use near feed. Do not use near seed. Do not use near fertilizer. Do not use near pesticides. Do not use near herbicides. Do not use near fungicides. Do not use near insecticides. Do not use near molluscicides. Do not use near nematocides. Do not use near nematicides. Do not use near acaricides. Do not use near miticides.

BACTERIAL CANKER AND DECLINE OF PEACH TREES

Apply Nematex Solution 8.6 Soil Fumigant to the soil around the base of the tree. Do not use in confined areas. Do not use near open flames. Do not use near electrical equipment. Do not use near children or pets. Do not use near water. Do not use near food. Do not use near feed. Do not use near seed. Do not use near fertilizer. Do not use near pesticides. Do not use near herbicides. Do not use near fungicides. Do not use near insecticides. Do not use near molluscicides. Do not use near nematocides. Do not use near nematicides. Do not use near acaricides. Do not use near miticides.

GENERAL DIRECTIONS

Apply Nematex Solution 8.6 Soil Fumigant to the soil around the base of the tree. Do not use in confined areas. Do not use near open flames. Do not use near electrical equipment. Do not use near children or pets. Do not use near water. Do not use near food. Do not use near feed. Do not use near seed. Do not use near fertilizer. Do not use near pesticides. Do not use near herbicides. Do not use near fungicides. Do not use near insecticides. Do not use near molluscicides. Do not use near nematocides. Do not use near nematicides. Do not use near acaricides. Do not use near miticides.

Apply Application should be made only with equipment designed for distribution at a specified rate. Do not use in confined areas. Do not use near open flames. Do not use near electrical equipment. Do not use near children or pets. Do not use near water. Do not use near food. Do not use near feed. Do not use near seed. Do not use near fertilizer. Do not use near pesticides. Do not use near herbicides. Do not use near fungicides. Do not use near insecticides. Do not use near molluscicides. Do not use near nematocides. Do not use near nematicides. Do not use near acaricides. Do not use near miticides.

USE ON MINERAL SOILS WITH EXCESSIVE MANGANESE OR IRON IN A SINGLE YEAR

PREPLANTING APPLICATION Apply Nematex Solution 8.6 Soil Fumigant to the soil around the base of the tree. Do not use in confined areas. Do not use near open flames. Do not use near electrical equipment. Do not use near children or pets. Do not use near water. Do not use near food. Do not use near feed. Do not use near seed. Do not use near fertilizer. Do not use near pesticides. Do not use near herbicides. Do not use near fungicides. Do not use near insecticides. Do not use near molluscicides. Do not use near nematocides. Do not use near nematicides. Do not use near acaricides. Do not use near miticides.

OVER-ALL TREATMENT Apply Nematex Solution 8.6 Soil Fumigant to the soil around the base of the tree. Do not use in confined areas. Do not use near open flames. Do not use near electrical equipment. Do not use near children or pets. Do not use near water. Do not use near food. Do not use near feed. Do not use near seed. Do not use near fertilizer. Do not use near pesticides. Do not use near herbicides. Do not use near fungicides. Do not use near insecticides. Do not use near molluscicides. Do not use near nematocides. Do not use near nematicides. Do not use near acaricides. Do not use near miticides.

ROW TREATMENT Apply Nematex Solution 8.6 Soil Fumigant to the soil around the base of the tree. Do not use in confined areas. Do not use near open flames. Do not use near electrical equipment. Do not use near children or pets. Do not use near water. Do not use near food. Do not use near feed. Do not use near seed. Do not use near fertilizer. Do not use near pesticides. Do not use near herbicides. Do not use near fungicides. Do not use near insecticides. Do not use near molluscicides. Do not use near nematocides. Do not use near nematicides. Do not use near acaricides. Do not use near miticides.

APPLICATION AT TIME OF PLANTING Nematex Solution 8.6 Soil Fumigant can be applied to the row while planting with suitable equipment. Do not use in confined areas. Do not use near open flames. Do not use near electrical equipment. Do not use near children or pets. Do not use near water. Do not use near food. Do not use near feed. Do not use near seed. Do not use near fertilizer. Do not use near pesticides. Do not use near herbicides. Do not use near fungicides. Do not use near insecticides. Do not use near molluscicides. Do not use near nematocides. Do not use near nematicides. Do not use near acaricides. Do not use near miticides.

POSTPLANTING APPLICATION FOR ANNUAL CROPS Apply Nematex Solution 8.6 Soil Fumigant to the soil around the base of the tree. Do not use in confined areas. Do not use near open flames. Do not use near electrical equipment. Do not use near children or pets. Do not use near water. Do not use near food. Do not use near feed. Do not use near seed. Do not use near fertilizer. Do not use near pesticides. Do not use near herbicides. Do not use near fungicides. Do not use near insecticides. Do not use near molluscicides. Do not use near nematocides. Do not use near nematicides. Do not use near acaricides. Do not use near miticides.

POSTPLANTING APPLICATION FOR PERENNIAL OR ESTABLISHED PLANTS Apply Nematex Solution 8.6 Soil Fumigant to the soil around the base of the tree. Do not use in confined areas. Do not use near open flames. Do not use near electrical equipment. Do not use near children or pets. Do not use near water. Do not use near food. Do not use near feed. Do not use near seed. Do not use near fertilizer. Do not use near pesticides. Do not use near herbicides. Do not use near fungicides. Do not use near insecticides. Do not use near molluscicides. Do not use near nematocides. Do not use near nematicides. Do not use near acaricides. Do not use near miticides.

DRENCHES (FOR PROFESSIONAL USE ONLY) Apply Nematex Solution 8.6 Soil Fumigant to the soil around the base of the tree. Do not use in confined areas. Do not use near open flames. Do not use near electrical equipment. Do not use near children or pets. Do not use near water. Do not use near food. Do not use near feed. Do not use near seed. Do not use near fertilizer. Do not use near pesticides. Do not use near herbicides. Do not use near fungicides. Do not use near insecticides. Do not use near molluscicides. Do not use near nematocides. Do not use near nematicides. Do not use near acaricides. Do not use near miticides.

APPLICATION WITHIN CONFINED AREAS Apply Nematex Solution 8.6 Soil Fumigant to the soil around the base of the tree. Do not use in confined areas. Do not use near open flames. Do not use near electrical equipment. Do not use near children or pets. Do not use near water. Do not use near food. Do not use near feed. Do not use near seed. Do not use near fertilizer. Do not use near pesticides. Do not use near herbicides. Do not use near fungicides. Do not use near insecticides. Do not use near molluscicides. Do not use near nematocides. Do not use near nematicides. Do not use near acaricides. Do not use near miticides.

MIXING DIRECTIONS

Mixing directions should be followed. Do not use in confined areas. Do not use near open flames. Do not use near electrical equipment. Do not use near children or pets. Do not use near water. Do not use near food. Do not use near feed. Do not use near seed. Do not use near fertilizer. Do not use near pesticides. Do not use near herbicides. Do not use near fungicides. Do not use near insecticides. Do not use near molluscicides. Do not use near nematocides. Do not use near nematicides. Do not use near acaricides. Do not use near miticides.

NOTICE OF WARRANTY

Western Farm Service, Inc. makes no warranty. Do not use in confined areas. Do not use near open flames. Do not use near electrical equipment. Do not use near children or pets. Do not use near water. Do not use near food. Do not use near feed. Do not use near seed. Do not use near fertilizer. Do not use near pesticides. Do not use near herbicides. Do not use near fungicides. Do not use near insecticides. Do not use near molluscicides. Do not use near nematocides. Do not use near nematicides. Do not use near acaricides. Do not use near miticides.

NEMATOX SOLUTION 8.6 SOIL FUMIGANT

Contains 8.6 Pounds NEMATOX Soil Fumigant Per Gallon (Corrosive Liquid, N.O.S. - Corrosive Material)

ACTIVE INGREDIENTS	By 6
1,2-Dibromo-3-Chloropropane	
Other Halogenated C Compounds	
INERT INGREDIENTS	100
TOTAL	106
NET CONTENTS:	
1 GAL. NET	

WARNING! KEEP OUT OF REACH OF CHILDREN

See other precautions on each panel.

DIRECTIONS FOR APPLICATION

CROP	Gallons Per Acre	TYPE OF TREATMENT
FIELD CROPS		
Cotton	1.0 to 2.0	Pre-planting, at time of planting, or post-planting row application
	1.5 to 3.0	Pre-planting, or at time of planting, over all available area
Grain	1.0 to 3.0	Pre-planting, at time of planting, or post-planting row application. See label for details.
		Pre-planting, over all available area.
VEGETABLE CROPS		
Soybeans	1.0 to 2.0	Pre-planting, or at time of planting row application. Do not treat plots where soybeans are to be planted.
	1.5 to 3.0	Pre-planting, over all available area.
FRUIT AND NUT CROPS		
Tomatoes, Eggplants, Peppers other than Bell Peppers	0.66 to 1.0	Pre-planting, at time of planting, or post-planting row application
Peppers	1.0 to 2.0	Pre-planting, over all available area
Direct Seeded	1.0 to 2.0	Pre-planting, over all available area
Lettuce, Endive, Escarole	1.0 to 2.8	Pre-planting, over all available area
Melons	1.0 to 1.5	Pre-planting, over all available area
	1.5 to 2.0	Pre-planting, over all available area
Tomatoes, Eggplants, Peppers other than Bell Peppers	0.66 to 1.0	Pre-planting, at time of planting, or post-planting row application
Peppers	1.0 to 2.0	Pre-planting, over all available area
Direct Seeded	1.0 to 2.0	Pre-planting, over all available area

Tomatoes, Eggplants, Peppers other than Bell Peppers	1.5	Pre-planting, over all available area
Transplants		
FRUIT AND NUT CROPS		
Bananas	1.0 to 10.0	Pre-planting, over all available area
Grape, Pear, Peach, Plum, Nut, Apricot	1.0 to 3.0	Pre-planting, over all available area
Plum and Prune		
Raspberries, Blackberries, Dewberries, Loganberries, Boysenberries	1.0 to 3.0	Pre-planting, over all available area
Pineapple	4.0 to 16.0	Pre-planting, over all available area
Pineapple	1.0 to 16.0	Pre-planting, over all available area
Citrus Trees	1.0 to 3.0	Pre-planting, over all available area
Strawberries	1.0 to 3.0	Pre-planting, over all available area
Figs	1.0 to 3.0	Pre-planting, over all available area
Walnut, English	1.0	Pre-planting, over all available area
Almonds	1.0 to 10.0	Pre-planting, over all available area
