

SODIUM CARBONATE
INERT INGREDIENTS:

93.8%

TOTAL 100.0%

EPA Reg. No. 11665-1

FORMULA No. 812 is a powerful disinfectant, deodorizer and sanitizer. It is designed to resist the effects of water hardness. Thus, it will show excellent detergency where soaps fail.

DIRECTIONS FOR USE:

DEODORIZING, DISINFECTANT AND SANITIZING: 3oz. FORMULA No. 812 per gallon of water. Apply to surface by mop, rags or moderately stiff brush. Make sure to get solution into cracks and crevices. Mop up excess and rinse with water.

USES FOR: Walls, Floors and Chopping Blocks. Rinse empty containers thoroughly with water and discard.

WARNING:

KEEP OUT OF REACH OF CHILDREN

May cause eye damage. Causes skin irritation. Do not get in eyes or on skin and/or clothing. Harmful if swallowed. Avoid contamination of food.

FIRST AID

In case of contact, immediately flush eyes or skin with plenty of water for at least fifteen minutes. For eyes, call physician. Remove and wash all contaminated clothing before reuse. If swallowed, drink milk, egg white, or gelatin solution. If these are not available drink large quantities of water and call physician.
