Subject: **EL PINOL 85**  
EPA Registration No. 11668-3  
Application Date: April 14, 2010  
Receipt Date: April 15, 2010

Dear Ms. Laird:

The following amendment, submitted in connection with registration under section 3(c)(7)(A) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable.

**Proposed Amendment**

- Updating Container Disposal statement
- Update FIRST AID box
- Clarify Directions for Use
- Revise Precautionary Statements
- Clarify other language

**General Comments**

A stamped copy of the accepted labeling is enclosed. Submit three (3) copies of your final printed labeling before distributing or selling the product bearing the revised labeling.

Should you have any questions or comments concerning this letter, please contact me by telephone at (703) 308-6416 or email at: [campbell-mcfarlane.jacqueline@epa.gov](mailto:campbell-mcfarlane.jacqueline@epa.gov) or Heather Garvie by telephone at (703) 308-0034 or email at: [garvie.heather@epa.gov](mailto:garvie.heather@epa.gov)

Sincerely,

A handwritten signature in black ink, appearing to read "Jacqueline McFarlane".

## PRECAUTIONARY STATEMENTS

### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Causes substantial, but temporary eye injury. Do not get in eyes, on skin or on clothing. Wear goggles, face shield, or safety glasses. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse. Harmful if swallowed, inhaled and/or absorbed through the skin. Avoid breathing vapor or spray mist. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

**NOTE TO PHYSICIAN:** measures against circulatory shock, respiratory depression and convulsion may be needed, if emesis has not occurred.

### ENVIRONMENTAL HAZARDS:

This pesticide is toxic to fish. Do not discharge effluent containing this active ingredient into lakes, streams, ponds, estuaries, oceans, or public waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) Permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of EPA.

### PHYSICAL AND CHEMICAL HAZARDS:

**COMBUSTIBLE LIQUID. KEEP AWAY FROM HEAT, SPARKS AND OPEN FLAME. FLASH POINT 167°F (TCC)**

**3 NA1993 PGIII**

**First Aid:** Measures against circulatory shock, respiratory distress, and convulsion may be needed, if emesis

**ACTIVE INGREDIENTS:**  
 PINE OIL..... 99.5%  
**INERT INGREDIENTS..... 0.5%**  
**TOTAL..... 100.0%**

**KEEP OUT OF REACH OF CHILDREN**

## WARNING

**ENVIRONMENTAL HAZARDS:**  
 Toxic to fish. Do not discharge effluent containing active ingredient into lakes, streams, ponds, rivers, or public waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) Permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing active ingredient into sewer systems without previously obtaining the approval of the appropriate sewerage treatment plant authority. For guidance, contact your State Water Board or Regional Office of EPA.

**PHYSICAL AND CHEMICAL HAZARDS:**  
 Clear, colorless liquid. KEEP AWAY FROM HEAT, SPARKS AND OPEN FLAME. FLASH POINT 167°F (TCC)

FIRST AID STATEMENT	
•	<b>IF IN EYES:</b> Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call poison control center or doctor for treatment advice.
•	<b>IF SWALLOWED:</b> Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
•	<b>IF ON SKIN OR ON CLOTHING:</b> Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
•	<b>IF INHALED:</b> Move person to fresh air. If person is not breathing, call 911 or an ambulance. Then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

## WARNING

#### FIRST AID STATEMENT

**IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call poison control center or doctor for treatment advice.

**SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**ON SKIN OR ON CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-minutes. Call a poison control center or doctor for treatment advice.

**INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance. Then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

Product container or label with you when calling a poison center or doctor, or going for treatment.

### SEE BACK PANEL FOR ADDITIONAL PRECAUTIONS)

**CONTENTS: 55 Gallons**

**DIRECTIONS FOR USE:** It is a violation of federal law to use this product in a manner inconsistent with its labeling. **"For formulation of antimicrobial products for use in or on commercial, industrial, institutional, medical and residential premises and equipment"**

#### STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

**Pesticide Storage:** Always store pesticide in original container only. When not in use, keep container in safe storage area separate from water, food, feed, and other pesticides. Avoid exposure to extreme temperature conditions and do not pour, spill, or store near heat or open flame.

**Pesticide Disposal:** Pesticide that cannot be used should be disposed of in a land field approved for pesticides away from water supplies. Consult Federal, State or Local disposal authorities for approval alternative procedures.

**Container Handling: Non-refillable container. Do not reuse or refill this container.** Triple rinse (or equivalent). Then offer for recycling if available or reconditioning if appropriate or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities."

**NOTICE:** Formulators of Germicides must obtain their own registration from the Environmental Protection Agency (EPA) and develop the data specific for the proposed product. This product cannot be used in formulations of products used on food crops.

## FOR INDUSTRIAL USE ONLY

**No warranties are made either expressed or implied for this product or its use other than that which is indicated on the label and data sheet 101.1**
