Subject: Label Amendment – Revised Directions for Use Language
Product Name: EL PINOL 85
EPA Registration Number: 11668-3
Received Date: 02/22/2023
Action Case Number: 00438092

Dear Mr. Rosini:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. Pursuant to 40 CFR 156.10(a)(6) you must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. “To distribute or sell” is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the Agency. See FIFRA section 2(p)(2). If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process, FIFRA section 12(a)(1)(B). Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Assurance.

EPA Reg. No. 11668-3
Action Case Number 00438092

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. If you have any questions, please contact Terria Northern by email at northern.terria@epa.gov

Sincerely,

Marcel Howard, Product Manager (34)
Regulatory Management Branch II
Antimicrobials Division (7510M)

EL PINOL 85

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Causes substantial, but temporary eye injury. Do not get in eyes, on skin or on clothing. Wear goggles, face shield, or safety glasses. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse. Harmful if swallowed, inhaled and/or absorbed through the skin. Avoid breathing vapor or spray mist. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

NOTE TO PHYSICIAN: measures against circulatory shock, respiratory depression and convulsion may be needed, if emesis has not occurred.

ENVIRONMENTAL HAZARDS:

This pesticide is toxic to fish. Do not discharge effluent containing this active ingredient into lakes, streams, ponds, estuaries, oceans, or public waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) Permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of EPA.

PHYSICAL AND CHEMICAL HAZARDS:
FLAMMABLE—KEEP AWAY FROM HEAT AND OPEN FLAME

For Formulation of Antimicrobial Products

Formulators and repackagers of this product must obtain their own EPA registration number.

ACTIVE INGREDIENTS:

PINE OIL..... 99.5%

INERT INGREDIENTS..... 0.5%

TOTAL..... 100.0%

KEEP OUT OF REACH OF CHILDREN

WARNING

FIRST AID STATEMENT

- **IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call poison control center or doctor for treatment advice.
- **IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
- **IF ON SKIN OR ON CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
- **IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance. Then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

(SEE BACK PANEL FOR ADDITIONAL PRECAUTIONS)
NET CONTENTS: 55 Gallons

DIRECTIONS FOR USE: It is a violation of federal law to use this product in a manner inconsistent with its labeling.

“For formulation of antimicrobial products for use in or on commercial, industrial, institutional, medical and residential premises and equipment”

This product may be used to formulate products for specific use(s) not listed on this label if the formulator, user group, or grower has complied with U.S. EPA data submission requirements regarding the support of such use(s). Formulators using this product are responsible for obtaining EPA registration for their formulated products.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

Pesticide Storage: Always store pesticide in original container only. When not in use, keep container in safe storage area separate from water, food, feed, and other pesticides. Avoid exposure to extreme temperature conditions and do not pour, spill, or store near heat or open flame.

Pesticide Disposal: Pine oil that cannot be used should be disposed of in a land field approved for pesticides away from water supplies. Consult Federal, State or Local disposal authorities for approval alternative procedures.

Container Handling: Non-refillable container. Do not reuse or refill this container." Triple rinse (or equivalent). Then offer for recycling if available or reconditioning if appropriate or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities."

NOTICE: Formulators of antimicrobial products must obtain their own registration from the Environmental Protection Agency (EPA) and develop the data specific for the proposed product.

FOR INDUSTRIAL USE ONLY

No warranties are made either expressed or implied for this product or its use other than that which is indicated on the label and data sheet 101.1
