New York, NY 10016

Dear Mr. Wrubel:

Subject: Merpan Captan Technical
EPA Registration No. 11678-1
Applications to Amend Registration Dated
September 25, 1990 and December 10, 1990

The proposed amendments to the subject pesticide product labeling submitted in connection with registration under Section 3 of the Federal Insecticide, Fungicide and Rodenticide as amended is acceptable provided that you:

Submit five (5) printed copies of the final printed labeling before releasing the product for shipment.

If this condition is not complied with, the registration will be subject to cancellation in accordance with FIFRA, Section 6(e). Your release for shipment of the product constitutes acceptance of this condition.

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

Joanne I. Miller
Acting Product Manager (23)
Fungicide-Herbicide Branch
Registration Division (4-7505C)

STATEMENT OF PRACTICAL TREATMENT

If In Eyes: Immediately flush eyes with fresh water for at least 15 minutes. Call a physician.

If Swallowed: Give a large amount of water or milk to drink and induce vomiting by touching back of throat with finger and call a doctor.

Inhalation: Avoid breathing vapors or dust.

If On Skin: In case of skin contact, wash thoroughly with soap and water. If a skin rash develops, see a doctor. See side panel for additional precautionary statements.

WARRANTY STATEMENT

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of MERCHANTABILITY or FITNESS FOR A PARTICULAR PURPOSE, express or implied, extends to the use of this product contrary to its label instruction or under abnormal conditions or under conditions not reasonably foreseeable to seller and buyer assumes the risk of any such use. Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

DANGER

Causes irreversible eye damage. Harmful if swallowed or inhaled. May cause allergic skin reactions. Do not get in eyes. Wear goggles or face shield when handling. Avoid contact with skin and clothing. Remove and separately launder clothing before reuse.

ENVIRONMENTAL HAZARDS

The product is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or public water unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product into sewer systems without previously notifying the sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

FOR FORMULATING USE ONLY

Information on formulation is available from the company. Reformulators must be responsible for providing data to register their product.

A FUNGICIDE FOR FORMULATING USE ONLY

STORAGE AND DISPOSAL

STORAGE: Do not contaminate water, food or feed by disposal. Store in a dry place.

DISPOSAL: Completely empty bag into equipment. Do not reuse container. Dispose of empty bag in a sanitary landfill or by incineration, or if allowed by State and local authorities, by burning. If burned, stay out of smoke. Wastes resulting from the use of this product may be disposed of at an approved waste disposal facility.

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

In case of minor spills, follow all precautions indicated above and clean up immediately. Sweep up and dispose of wastes and broken or empty containers in a landfill approved for pesticide use.
