5. Additionally, as noted on the December 30, 2009 letter, a submission of an immunotoxicity study is required within the timeframe specified in that letter (Guideline 870.7800).

A stamped copy is enclosed for your records. Please submit one (1) final printed copy for the above mentioned label before releasing the product for shipment. If you have any questions regarding this label, please contact Jennifer Gaines at (703) 305-5967.
