NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of this product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Add the phrase "EPA Registration No. 11682-31" to the label before you release the product for shipment.
3. Submit storage stability data within 15 months from date of this Notice of Pesticide Registration.
4. Submit five (5) copies of the final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

No. 11682-31

ACTIVE INGREDIENTS:	BY WT.
*Captan	9.7%
Related Derivative	0.2%
INERT INGREDIENTS	90.1%
TOTAL	100.00%

*N - Trichloromethylthio-4-cyclohexene-1,2-dicarboximide

EPA Est. No. 8917-ID-1

EPA Reg. No. 11682-31

DANGER PELIGRO
KEEP OUT OF REACH OF CHILDREN
PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

AVOID INHALING DUST

AVOID CONTACT WITH SKIN

AVOID CONTAMINATION OF FEED AND FOOD

PRECAUCION AL USUARIO: Si usted no lee ingles, no use este producto hasta que la etiqueta haya sido explicado ampliamente.

Causes irreversible eye damage. Harmful if swallowed or inhaled. Do not get in eyes. Wear goggles or face shield when handling. May cause allergic skin reactions. Avoid contact with skin and clothing. Wash thoroughly with soap and water after handling. Remove and separately launder contaminated clothing before reuse.

STATEMENT OF PRACTICAL TREATMENT

IF IN EYES: Flush with plenty of water. Call a physician.

IF SWALLOWED: Call a physician or poison control facility immediately. Drink promptly large quantity of milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol. Do not give anything by mouth to an unconscious person.

IF INHALED: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention.

IF ON SKIN: Remove contaminated clothing. Wash with soap and water.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish. Do not clean equipment or dispose of equipment wash water in a manner that will contaminate water resources. In the event that treated seeds are spilled and cannot be salvaged, completely cover them with soil.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

USE PRECAUTIONS:

When loading into application container or applying to potato seed pieces, wear a respirator, goggles and chemical resistant gloves. In addition, wear a long sleeved shirt and long pants, or a coverall that covers all parts of the body except the head, hands and feet.

Field workers handling treated seed must wear chemical resistant gloves. Leather or fabric gloves are not acceptable.

AFTER WORK: Take off all clothes and shoes. Shower using soap and water. Do not wear contaminated clothing. Wash protective clothing and equipment with soap and water after each use. Personal clothing worn during use must be laundered separately from household articles. Clothing and protective equipment heavily contaminated or drenched with Captan must be destroyed according to state and local regulations.

POTATO SEED PIECE TREATMENT: To aid in the control of Damping-off, Captan 10 will not control bacterial decay such as blackleg and soft rot or diseases present within the seed.

Use at rate of 7½ oz. per bushel (12 oz. per 100 lbs.) of cut seed pieces. Apply in convenient container or by duster attachment over belt. Coat each seed evenly with a light film of dust. Treat pieces within 6 hours after cutting. If planting is delayed, store treated seed pieces in open crates two days before bagging.

Before planting, cutting machines or knives, trays, tables, barrels or sacks, equipment, trucks and planters should be thoroughly cleaned and sanitized. If not sprouted, subject seed potatoes to temperatures of 50 degrees to 60 degrees for about 10 to 15 days before handling them.

DO NOT USE TREATED SEED FOR FEED OR FOOD

STORAGE AND DISPOSAL

Do not contaminate water food or feed by storage or disposal.

STORAGE: Store in cool, dry place. Avoid contact with moisture. Keep pesticide in original container.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Completely empty bag into application equipment by shaking and tapping sides and bottom to loosen clinging particles. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by state and local authorities, by burning. If burned stay out of smoke.

NOTICE: Tuber damage and/or decay may occur on sandy soils under moist soil conditions and higher than normal soil temperatures. Do not use if these conditions can occur or if there has been any past history of seed piece decay due to this problem. Not for use in Jefferson County, KY.

NET WEIGHT 50 POUNDS:

DISCLAIMER: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use, storage or handling of the product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use. These risks include, but are not limited to, damage to plants, crops and animals to which the material is applied, failure to control pests, damage caused by drift to other plants or crops and personal injury.
