DIRECTIONS FOR USE.

GENERAL

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

The product is for manufacturing use only in the formulation of fungicides.

STORAGE AND DISPOSAL:

Store in a cool, dry place away from direct sunlight. Do not contaminate water, food or feed by storage or disposal. Dispose of unused or outdated product by autoclaving at 20 Psi for 20 minutes or heating to 100 degrees centigrade for 3 hours. The autoclaved material may be disposed of on-site or at an approved waste disposal facility, in accordance with applicable Federal, state, or local regulations.

Triple rinse containers prior to disposal by crushing and burial in a sanitary landfill, or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.
