KEEP OUT OF REACH OF CHILDREN

**WARNING:** Flammable! Contents under pressure. Do not use near fire, sparks, or flame. Do not puncture or incinerate container. Expose to temperatures above 130 F may cause bursting.

**CAUTION:** Contents under pressure. Do not puncture or incinerate. Do not store at abnormally high temperatures. Harmful or fatal if swallowed or absorbed through skin. Do not breathe vapor. Avoid all contact with skin, eyes or clothing. Wash thoroughly after handling. See Side Panel for Other Important Safety Cautions.

E.P.A. Reg. No. 11694-10

EPA Est. 11694 KS 1

NET CONTENTS: 18 OZ. (1 LB. 2 OZ.)

### DIRECTIONS (Shake can well before using)

To Operate: Turn dispenser upside down, point valve opening toward area being treated. Press valve to release spray. This product is a liquid, non-selective, persistent, general herbicide designed for use where control of all vegetation is desired. It is recommended for use on non-cropland areas, such as railroad right of ways, fence rows, parking lots, around buildings, loading ramps, storage yards, tank farms, along pipelines, industrial plant sites, and other similar areas where grasses and weeds interfere with drainage, create a fire hazard or cause unsightly appearance. Apply in late spring after the most predominant weeds have emerged. Apply in such a spray pattern to wet out the weed completely and the amount to use is dependent on the surface area of the weed to be controlled. The frequency of the application required depends on the soil type, rainfall, and other natural conditions.

### IMPORTANT

Do not apply directly to, or permit it to come into contact with susceptible plants such as vegetables, flowers, fruit trees, ornamentals, cotton, beans, peas, grapes or other desirable plants. Avoid spray drifts to such susceptible plants. Do not store near fertilizers, seeds, insecticides or fungicides. Do not contaminate waters used for irrigation or domestic purposes. Do not re-use this container for any purpose.

### CAUTION

Harmful or fatal if swallowed or absorbed through skin. Vapor harmful. Causes skin irritation. Call physician immediately. Do not breathe vapor or mist. Do not get in eyes, on skin or on clothing. Wash thoroughly after handling. In case of contact, wash skin with soap and water. For eyes, immediately flush with large amounts of water for at least 15 minutes and get medical attention. Remove and wash contaminated clothing before re-use. This product is poisonous to fish and wildlife. Keep out of lakes, ponds and streams. Do not apply in any manner not specified on the label.

Do not apply to areas underlaid by roots of desirable trees and shrubs. Do not use on lawns, walks, driveways, tennis courts, or similar areas. Do not use in or around the home. May irritate eyes, nose, throat and skin. Do not apply when ground is frozen.

Vapors from this product may injure susceptible plants in the immediate vicinity.

ONE GALLON

KEEP OUT OF REACH OF CHILDREN

Causes severe skin irritation. May cause eye injury. Do not get in eyes or on skin. In case of eye contact, flush copiously with water and seek medical attention. In case of skin contact, flush copiously with plenty of water immediately. Harmful if swallowed. Avoid contamination of food.

DIRECTIONS

**Initial Application:** To a cleaned pool add one gallon to 50,000 gallons of water, or ratio thereof.

**Maintenance Dose:** Use one quart per 50,000 gallons of water every 5 to 7 days. When weather is hot or basking load is heavy, use this dosage every 5 days or as necessary.

**Booster Dose:** Immediately after every rain add one quart per 50,000 gallons of water as above.

Algae growth may occur without treatment. If algae growth must be fought at all times.

**Pool-side surfaces:** After cleaning surfaces, use one oz. to four gallons of water for sanitizing or one oz. to two gallons of water for disinfecting.

FIRST AID

If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution, or, if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.
