

Directions for Use

MOSQUITOES AND FLIES: The surface deposit of a mixture of one gallon of Chloroxy No. 8 with ten gallons of water or fuel oil will aid in the control of flies and mosquitoes. Thoroughly wet the surfaces where flies breed or alight. Apply 1 diluted gallon for each 1000 sq. ft. of area to be treated on painted surfaces. Apply 2 diluted gallons for each 1000 sq. ft. of unpainted surfaces. For mosquitoes, spray undergrowth near stagnant water, low damp areas and refuse dumps where water is trapped in discarded tires, tin cans and other receptacles of like type. Repeat when needed.

FOR PROFESSIONAL USE ONLY. Chloroxy No. 8 is a product for use by experienced personnel to aid in the control of mosquitoes and flies which have developed resistance to many of the insecticides such as Chlordane and D.D.T.

Do not re-use container. Destroy by crushing and burying in a safe place. Do not burn. Bury spray wastes away from domestic water supplies and irrigation waters.

EPA Reg. No. 11694-14

FOR PROFESSIONAL USE ONLY

For professional use only. May be fatal if swallowed, inhaled or absorbed through the skin.

CHLOROXY No. 8

Water Emulsifiable Oil Soluble Insecticide
Kills resistant mosquitoes and flies.

ACTIVE INGREDIENTS:

86.75% Heavy aromatic Naptha
7.50% Methoxychlor Technical*
0.70% 2, 2-Dichlorovinyl dimethyl phosphate
and 0.05% Related Compounds.

INERT INGREDIENTS: 5.0%

Calcium Dodecyl benzene
Sulfonate
Octadecoxypoly (ethyleneoxy)
ethanol

*Equivalent to 6.6% 2,6-bis (p-methoxyphenyl)-
1,1,1-trichloroethane and 0.9% other isomers
and related compounds

(See side panel for other precautions)

NET CONTENTS: 55 Gallons

CAUTION:

KEEP OUT OF REACH OF CHILDREN

CAUTION. May be fatal if swallowed, inhaled or absorbed through the skin. Avoid breathing mist. In case of contact with skin or eyes, flush with plenty of water; for eyes get medical aid. Do not apply or allow to drift to areas occupied by unprotected humans or beneficial animals.

Wash with soap and water after handling and before smoking or eating; wear clean clothing. Store away from domestic animals and children. Avoid contamination of food or feed. If swallowed, get immediate attention. Avoid contact with skin.

INFLAMMABLE MIXTURE: KEEP AWAY FROM OPEN FLAME OR HEAT.

This product is toxic to fish, birds and other wildlife.

Birds feeding on treated areas may be killed. Keep out of any body of water.

Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated.

Do not contaminate water by cleaning of equipment, or disposal of wastes.

Apply this product only as specified on this label.

NOTICE: KEEP FROM FREEZING. If this product is stored in freezing or cold weather, it may separate or thicken. This will not harm the performance. Before using, warm to room temperature and stir thoroughly.
