## BROMENOL 3 WEED KILLER WITH NODRIFT

### ACTIVE INGREDIENTS:

Petroleum oil .....	96.00%
2,4-Dichlorophenoxyacetic acid, isooctyl ester* .....	1.10%
Bromacil (5-bromo-3-sec-butyl-6-methyluracil) .....	0.61%
Pentachlorophenol .....	0.79%
Other chlorophenols .....	0.09%
<b>INERT INGREDIENTS:</b> .....	1.41%
<b>Total</b> .....	<b>100.00%</b>

\*2,4-Dichlorophenoxyacetic acid equivalent 0.70%

E.P.A. Reg. No. 11694-18

### CAUTION:

#### KEEP OUT OF REACH OF CHILDREN

BROMENOL 3 is toxic to fish and wildlife. Birds and other wildlife in treated areas may be killed. Keep out of lakes, streams, or ponds. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label. Do not contaminate water used for irrigation or domestic purposes.

ACCEPTED

NET CONTENTS SHOWN ELSEWHERE ON CONTAINER

### DIRECTIONS:

To control most weeds and grasses for extended periods on and around storage buildings and similar non-crop areas such as industrial plant sites, parking lots, loading ramps and around storage buildings and the like, apply 1 to 4 gallons per 1000 square feet of BROMENOL 3 after the most predominant weeds have emerged. No agitation is required. BROMENOL 3 can be applied with standard spray equipment. For treating small areas, a tank type hand sprayer or sprinkling can may be used.

NOTE: Users should consult State Agricultural Experiment Stations or Extension Service Weed Specialists for recommendations as to use of BROMENOL 3 in their particular area.

IMPORTANT: Do not apply directly to, or otherwise permit BROMENOL 3 to contact susceptible plants as this product may injure cotton, beans, peas, grapes, flowers, fruit trees, ornamentals or other desirable plants. Avoid spray drift to such susceptible plants (coarse sprays are less likely to drift). Vapors from this product may injure susceptible plants in the immediate vicinity. Thoroughly clean spray equipment with a suitable chemical cleaner before using for other purposes (or do not use same equipment for other purposes). Do not store near fertilizers, seeds, insecticides or fungicides. Do not re-use empty container. Destroy it by perforating or crushing. Bury or discard in a safe place.

### CAUTION:

#### KEEP OUT OF THE REACH OF CHILDREN. HARMFUL IF SWALLOWED. CAUSES SKIN IRRITATION

Avoid contact with skin, eyes, and clothing. Wash thoroughly after handling. In case of contact, flush with large amounts of water; for eyes, get medical attention. Remove and wash contaminated clothing before re-use.
